Request for Presunrise Authority

Dear Counsel:

This is in regard to your letter of February 22, 2006, which requested recalculation of presunrise operating power for Station WIOO(AM), pursuant to Section 73.99 of the Commission's rules.

Our calculations indicate that, due to protection requirements to cochannel Class A Station WMVP, Chicago, Illinois, presunrise operation by Station WIOO is not permissible.

Sincerely,

Charles N. Miller, Engineer
