Subject: NDBEDP - Hawaii Application PN

In 2012, the FCC certified 53 programs to distribute equipment under the National Deaf-Blind Equipment Distribution Program (NDBEDP) in each of the 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands.

Recently, Island Skills Gathering informed the FCC that it was unable to continue participating in the NDBEDP for the state of Hawaii, effective immediately.

To ensure that Hawaii is able to continue participating in the NDBEDP, the FCC invites applications from entities interested in receiving certification for eligibility to distribute equipment under the NDBEDP to qualifying residents in Hawaii.

Deadline for applications is **February 23, 2015**.
