NOTICE OF VIOLATION

Released: May 4, 2012

By the Acting District Director, Philadelphia Office, Northeast Region, Enforcement Bureau:

1. This is a Notice of Violation (Notice) issued pursuant to Section 1.89 of the Commission's rules¹ to Crozer-Keystone Healthcare (Crozer-Keystone), the licensee of Private Land Mobile Station WQNH394 in Upland, Pennsylvania.
2. On March 15, 2012, in response to a complaint from the United States Coast Guard (USCG), agents of the Commission's Philadelphia Office inspected Station WQNH394 located in Upland, Pennsylvania and observed the following violations:
 - a. 47 C.F.R. § 90.403(e): "Licensees shall take reasonable precautions to avoid causing harmful interference. This includes monitoring the transmitting frequency for communications in progress and such other measures as may be necessary to minimize the potential for causing interference." FCC agents found that Crozer-Keystone's 154.625 MHz paging transmitter was generating a spurious emission on 157.075 MHz² that was causing harmful interference to the USCG's radio communications system.
 - b. 47 C.F.R. § 90.425(a): "Except as provided for in paragraphs (d) and (e) of this section, each station or system shall be identified by the transmission of the assigned call sign during each transmission or exchange of transmissions, or once each 15 minutes (30 minutes in the Public Safety Pool) during periods of continuous operation." Between 11:55 a.m. and 1:01 p.m., agents observed that Station

¹ 47 C.F.R. § 1.89.

² Based on the transmitter output power of 90 Watts, the spurious emission should be attenuated at least 62.54 dB below the authorized transmitting power. The FCC measured the level of the spurious emission to be -95.0 dB. The level of the fundamental was measured to be -25.0 dB; a difference of 70.0 dB, in compliance with Section 22.359(a) of the Commission's Rules.

Federal Communications Commission

WQNH394 did not transmit its call sign identification on the frequency 154.625 MHz.

3. Pursuant to Section 308(b) of the Communications Act of 1934, as amended,³ and Section 1.89 of the Commission's rules, Crozer-Keystone Healthcare must submit a written statement concerning this matter within twenty (20) days of release of this Notice. The response must fully explain each violation, must contain a statement of the specific action(s) taken to correct each violation and preclude recurrence, and should include a time line for completion of pending corrective action(s). The response must be complete in itself and signed by a principal or officer of the licensee. All replies and documentation sent in response to this Notice should be marked with the File No. and NOV No. specified above, and mailed to the following address:

Federal Communications Commission
Philadelphia Office
One Oxford Valley Building, Suite 404
2300 East Lincoln Highway
Langhorne, Pennsylvania 19047

4. This Notice shall be sent to Crozer-Keystone Healthcare at its address of record.
5. The Privacy Act of 1974⁴ requires that we advise you that the Commission will use all relevant material information before it, including any information disclosed in your reply, to determine what, if any, enforcement action is required to ensure compliance. Any false statement made knowingly and willfully in reply to this Notice is punishable by fine or imprisonment under Title 18 of the U.S. Code.⁵
