Support Mechanism)	

ORDER

Adopted: May 22, 2012

Released: May 22, 2012

By the Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

1. Consistent with precedent,¹ we deny five requests from petitioners seeking review of decisions made by the Universal Service Administrative Company (USAC) under the E-rate program (more formally known as the schools and libraries universal service support program).² In each decision, USAC found that the entities at issue were not eligible for E-rate support.³ Based on our review of the record, we find that the five petitioners failed to show that the entities denied funding are eligible for E-rate support.

¹ See *Request for Review of the Decision of the Universal Service Administrator by Eagle Hill School, et al., Schools and Libraries Universal Service Support Mechanism*, File Nos. SLD-84941, *et al.*, CC Docket No. 02-6, Order, 24 FCC Rcd 12714 (Wireline Comp. Bur. 2009) (denying support for E-rate services purchased for ineligible entities, such as student dormitory rooms and certain pre-kindergarten programs).

² Section 54.719(c) of the Commission’s rules provides that any person aggrieved by an action taken by a division of USAC may seek review from the Commission. 47 C.F.R. § 54.719(c).

³ 47 C.F.R. § 54.501(a) (noting that only schools meeting statutory eligibility standards may apply for support for eligible services).

2. ACCORDINGLY, IT IS ORDERED, pursuant to the authority contained in sections 1-4 and 254 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151-154 and 254, and sections 0.91, 0.291, 1.3 and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3 and 54.722(a), that the requests for review or requests for waiver filed by the petitioners listed in the Appendix ARE DENIED.

FEDERAL COMMUNICATIONS COMMISSION

Trent B. Harkrader
Chief
Telecommunications Access Policy Division
Wireline Competition Bureau
