6. **IT IS FURTHER ORDERED** that the above-captioned investigation, as to the Station and/or the Licensee, **IS TERMINATED**.

In addition, Section 508 also prohibits: (1) the production for broadcast of a contest of chance wherein the person has reasonable ground for believing that the contest outcome has been predetermined; and (2) conspiring with any other person or persons to violate the statute. 47 U.S.C. §§ 509(a)(4)-(5).

## II. BACKGROUND

2. Section 508 of the Act prohibits a licensee from knowingly deceiving the public by engaging “in any artifice or scheme for the purpose of prearranging or predetermining in whole or in part the outcome of a purportedly bona fide contest . . . [of] chance.”<sup>7</sup> Under Section 73.1216 of the Rules, a broadcast licensee “that broadcasts or advertises information about a contest it conducts shall fully and accurately disclose the material terms of the contest, and shall conduct the contest substantially as announced or advertised. No contest description shall be false, misleading or deceptive with respect to any material term.”<sup>8</sup> Material terms, among other things, include any eligibility restrictions, means of selection of winners, and the extent, nature, and value of prizes.<sup>9</sup>

<sup>7</sup> 47 U.S.C. § 509(a)(3). Section 508 also prohibits: (1) the production for broadcast of a contest of chance wherein the person has reasonable ground for believing that the contest outcome has been predetermined; (2) conspiring with any other person or persons to violate the statute. 47 U.S.C. §§ 509(a)(4)-(5).

3. On April 18, 2008, Fisher, through its Counsel, filed a letter with the Commission regarding its own Contest, called the “Secret Listener Salute” that aired on Station KVI(AM) between February 6, 2007, and March 30, 2007.<sup>10</sup> The Licensee asserts that, as part of an internal year end audit in 2008, it discovered that a former employee may have taken actions to manipulate the outcome of the Contest by placing the names of suspected friends and acquaintances on the list of names to be announced on air, thus making them potential winners.<sup>11</sup> Fisher indicates that winnings may have been shared between the former employee and the winners.<sup>12</sup> Fisher states that it discovered this problem after the employee left Fisher’s employ, and that Fisher subsequently contacted the Seattle Police Department.<sup>13</sup> On June 24, 2008, the Bureau sent a letter to Fisher regarding the Contest,<sup>14</sup> and Fisher responded on July 30, 2008.<sup>15</sup> The Bureau subsequently sent a second letter to Fisher on May 7, 2010,<sup>16</sup> to which Fisher responded on June 3, 2010.<sup>17</sup> Fisher contends that it was unaware of the former employee’s actions until after she had left the Station’s employ, that it was an unwitting victim in this situation, and that it alerted the Commission and law enforcement once it determined what had happened.<sup>18</sup> Fisher contends that the actions of the former employee violated the Station’s Code of Conduct and Conflict of Interest Policies that were in place at the time the alleged violations occurred.<sup>19</sup> Fisher claims that it will create added oversight to all future contests and monitor their implementation to safeguard against any future manipulations by any party.<sup>20</sup> The terms of this Consent Decree reflect the Bureau’s consideration of the Licensee’s self-disclosure of this matter and the Licensee’s prior history of compliance with Commission rules.

As of the Effective Date, the Adopting Order and this Consent Decree shall have the same force and effect as any other order of the Commission. Any violation of the Adopting Order or of the terms of this Consent Decree shall constitute a separate violation of a Commission order, entitling the Commission to exercise any rights and remedies attendant to the enforcement of a Commission order.

7. **Termination of Investigation.** In express reliance on the covenants and representations in this Consent Decree and to avoid further expenditure of public resources, the Bureau agrees to terminate the Investigation. In consideration for the termination of the Investigation, Fisher agrees to the terms, conditions, and procedures contained herein. The Bureau further agrees that in the absence of new material evidence, the Bureau will not use the facts developed in this Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any new proceeding, formal or informal, or take any action on its own motion against Fisher concerning the matters that were the subject of the Investigation. The Bureau also agrees that in the absence of new material evidence it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceeding, formal or informal, or take any action on its own motion against Fisher with respect to Fisher's basic qualifications, including its character qualifications, to be a Commission licensee or to hold Commission licenses or authorizations.

8. **Compliance Officer.** Within thirty (30) calendar days after the Effective Date, Fisher shall designate a senior corporate manager with the requisite corporate and organizational authority to serve as Compliance Officer and to discharge the duties set forth below. Fisher also shall develop a Compliance Checklist that describes the steps

that a Covered Employee must follow to ensure that Licensee-Conducted contests will not result in a violation of the Commission's Laws regarding Licensee-Conducted contests. At a minimum, the Compliance Checklist shall require at all times that at least two station employees, one of which shall be a management-level employee, be involved in all aspects of the selection of winners and the award of prizes to participants in Licensee-Conducted contests.

b. **Compliance Manual.** Within sixty (60) calendar days after the Effective Date, the Compliance Officer shall develop and distribute a Compliance Manual to all Covered Employees. All Covered Employees shall be trained pursuant to the Compliance Training Program within ninety (90) calendar days after the Effective Date, except that any person who becomes a Covered Employee at any time after the Effective Date shall be trained within thirty (30) calendar days after the date such person becomes a Covered Employee. Each compliance report shall include a detailed description of Fisher's efforts during the relevant period to comply with the terms and conditions of this Consent Decree, Section 508 of the Act, and the Licensee-Conducted Contest Rule. In addition, each Compliance Report shall include a certification by the Compliance Officer, as an agent of and on behalf of Fisher, stating that the Compliance Officer has personal knowledge that Fisher (i) has established and implemented the Compliance Plan; (ii) has utilized the Operating Procedures since the implementation of the Compliance Plan; and (iii) is not aware of any instances of noncompliance

with the terms and conditions of this Consent Decree, including the reporting obligations set forth in paragraph 11 hereof.

13. **Section 508 and Section 73.1216 Complaints; Subsequent Investigations.** Nothing in this Consent Decree shall prevent the Commission or its delegated authority from adjudicating complaints filed pursuant to Section 508 of the Act or Section 73.1216 of the Commission's rules against Fisher or its affiliates for alleged violations of the Act or the Commission's rules or for any other type of alleged misconduct, regardless of when such misconduct took place. The Commission's adjudication of any such complaints will be based solely on the record developed in that proceeding. Except as expressly provided in this Consent Decree, this Consent Decree shall not prevent the Commission from investigating new evidence of noncompliance by Fisher with the Communications Laws.
