Dear Vice Chairman Terry:

Thank you for your follow-up letter regarding the status of applications pertaining to spectrum that PacifiCorp intends to use in its private land mobile radio network. I am pleased to report that Commission staff was able to resolve the complex issues underlying this licensing matter. On April 4, 2012, the Commission's Wireless Telecommunications Bureau released an *Order* renewing the MariTEL licenses. On April 6, 2012, the Bureau issued the licenses to PacifiCorp.

I appreciate your interest in this matter. Please let me know if I can be of any further assistance.

Sincerely,

Julius Genachowski
