STATEMENT OF FCC COMMISSIONER MIGNON L. CLYBURN ON FRONTIER COMMUNICATIONS' CONNECT AMERICA FUND ANNOUNCEMENT

“I was pleased to wake up this morning to the news that Frontier Communications will be accepting the Connect America Fund Phase I support, and in exchange will be providing broadband service to 92,876 households. Reforms to the Universal Service Fund last year resulted in this money being made available for carriers to deploy in unserved areas, and are instrumental in bringing broadband opportunities to more Americans. I congratulate Frontier, its soon-to-be served customers, and the hard-working staff at the FCC, who have been crucial in implementing these reforms.”
