

FEDERAL COMMUNICATIONS COMMISSION

August 13, 2012

JULIUS GENACHOWSKI  
CHAIRMAN

The Honorable Brian Bilbray  
U.S. House of Representatives  
2410 Rayburn House Office Building  
Washington, D.C. 20515

Dear Congressman Bilbray:

Thank you for your letter urging that the Commission consider options that will allow LightSquared to offer its planned wireless broadband service, including authorizing use of alternative spectrum for this service. Your letter will be included in the record of the related proceedings and considered as part of the Commission's review.

Commission staff has continued to meet with representatives of LightSquared, and is working with them through the complex issues of this proceeding. Currently, no petition is before the Commission regarding alternative spectrum for LightSquared. Should that change, the Commission will coordinate with NTIA as necessary, and consider any proposals carefully.

I appreciate your interest in this matter. Please let me know if I can be of any further assistance.

Sincerely,
