STATEMENT OF ACTING CHAIRWOMAN MIGNON CLYBURN ON PRESIDENTIAL MEMORANDUM PROMOTING EFFICIENT USE OF SPECTRUM BY FEDERAL AGENCIES

Washington, D.C. – Acting Chairwoman Clyburn issued the following statement today:

"I want to applaud President Obama for his leadership on this critical issue for our nation's economic growth and global competitiveness. Today's Presidential Memorandum will enable us to meet the challenge of unleashing spectrum for commercial use while also ensuring more efficient use of spectrum. Doing so means more opportunity for all Americans - greater access to jobs, healthcare, education, and more. The FCC will continue to work closely with NTIA, other federal partners, and all stakeholders to achieve the goals set forth by the President in this Memorandum."
