The Honorable Emanuel Cleaver, II
United States House of Representatives

Dear Congressman Cleaver:

Thank you for your letter expressing your interest in and support of the SoftBank/Sprint merger applications filed with the Federal Communications Commission. Your letter states that this transaction represents the largest foreign investment into the United States in the last five years, and that the investment, technological innovation, and job creation associated with a new and revitalized Sprint will be meaningful for multiple stakeholders for years to come.

After thorough review, the Commission released an Order on July 5, 2013, finding that the proposed acquisition of Sprint by SoftBank would serve the public interest. The Order is available at http://transition.fcc.gov/Daily_Releases/Daily_Business/2013/db0705/FCC-13-92A1.pdf.

Thank you for your interest in this important matter.

Sincerely,

A handwritten signature in black ink that reads "Mindel De La Torre".
