COMMENTS INVITED ON APPLICATION OF SBC LONG DISTANCE, LLC D/B/A AT&T LONG DISTANCE TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 14-2
Comp. Pol. File No. 1140

Comments Due: January 29, 2014

Section 214 Application

Applicant: SBC Long Distance, LLC d/b/a AT&T Long Distance

On **January 7, 2014**, **SBC Long Distance, LLC d/b/a AT&T Long Distance** (AT&T LD or Applicant), located at **208 South Akard Street, Dallas, Texas 75202**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue a certain domestic telecommunications service throughout AT&T LD's service territory in all fifty states, the District of Columbia, Puerto Rico and the U.S. Virgin Islands (Service Areas).

AT&T LD indicates that it currently offers Inmate service in the Service Areas. AT&T LD describes Inmate service as a service that permits inmates to place collect calls originated from authorized telephone numbers in a prison administration controlled environment and that includes operator station collect calls placed to domestic locations. AT&T LD asserts, however, that it does not have any current customers subscribing to this service and that it has not had any usage of this service since October 2012. Accordingly, AT&T LD states that it plans to discontinue offering Inmate service in the Service Areas on or after February 6, 2014, subject to Commission authorization. AT&T LD maintains that the public convenience and necessity will not be impaired by the proposed discontinuance because it currently does not have any customers and there are other providers of Inmate services in the market. AT&T LD asserts that it is considered non-dominant with respect to its provision of Inmate service.

In accordance with section 63.71(c) of the Commission's rules, AT&T LD's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies AT&T LD that the grant will not be automatically effective. In the application, AT&T LD indicates that it plans to discontinue offering Inmate service in the Service Areas on or after February 6, 2014, subject to Commission authorization. Accordingly, pursuant to section 63.71(c) and the terms of the application, absent further Commission action, AT&T LD may discontinue offering Inmate service in the Service Area on or after **February 14, 2014**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **January 29, 2014**. Such comments should refer to **WC Docket No. 14-2 and Comp. Pol. File No. 1140**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. See *Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (*e.g.*, .doc, .xml, .ppt, searchable .pdf). Participants in this proceeding should familiarize themselves with the Commission's *ex parte* rules.
