ORDER

Adopted: August 12, 2014

Released: August 13, 2014

By the Chief, Media Bureau:

1. In this Order, we adopt the attached Consent Decree entered into by the Media Bureau ("Bureau") and Cazenovia College ("Cazenovia"), the licensee for noncommercial educational Station WITC(FM), Cazenovia, New York (the "Station"). The Consent Decree resolves issues arising from the Bureau's review of the captioned license renewal application ("Renewal Application") for the Station as to whether the Station violated Section 73.3527<sup>1</sup> of the Commission's Rules (the "Rules").

2. Cazenovia has shown that, at the time of the violations, the Station was a student-run noncommercial educational ("NCE") FM station licensed to Cazenovia and that the violations at the Station are first-time documentation violations within the parameters of our policy concerning violations of documentation requirements of Rules by student-run NCE radio stations.<sup>2</sup> We have negotiated the attached Consent Decree, which provides for Cazenovia to carry out a compliance plan that meets the requirements of the new policy and to make a voluntary contribution to the United States Treasury in the amount of \$1,000.

3. After reviewing the terms of the Consent Decree, we find that the public interest will be served by its approval and by terminating all pending proceedings relating to the Bureau's consideration of potential violations of the Rules disclosed in the Renewal Application.

4. Based on the record before us, we conclude that nothing in that record creates a substantial or material question of fact as to whether Cazenovia possess the basic qualifications to be a

2 See William Penn University, Policy Statement and Order, 28 FCC Rcd 6932 ¶ 2 (MB 2013) (in cases of "first-time violations of certain documentation requirements of our Rules by student-run NCE radio stations . . . instead of issuing a Notice of Apparent Liability (NAL), the Bureau will first afford the licensee an opportunity to negotiate a consent decree in which the licensee agree to a compliance plan and makes a voluntary contribution to the United States Treasury. In negotiating the amount of the voluntary contribution, the Bureau will consider the totality of circumstances, including giving appropriate consideration to the station's finances with respect to reducing the base forfeiture amount significantly.").

Commission licensee.

5. ACCORDINGLY, IT IS ORDERED that, pursuant to Section 4(i) of the Communications Act of 1934, as amended,<sup>3</sup> and by the authority delegated by Sections 0.61 and 0.283 of the Rules,<sup>4</sup> the Consent Decree attached hereto IS ADOPTED.

6. IT IS FURTHER ORDERED that the investigation by the Media Bureau of the matters noted above IS TERMINATED.

7. IT IS FURTHER ORDERED that copies of this Order shall be sent, by First Class and Certified Mail, Return Receipt Requested, to Cazenovia College, 22 Sullivan Street, Cazenovia, New York 13035, and to its counsel, David A. O'Connor, Esq., Wilkinson Barker Knauer, LLP, 2300 N Street, N.W., Suite 700, Washington, DC 20037-1128.

### III. Background

3. On February 3, 2014, Licensee filed the Renewal Application to renew its license for the Station. In the Renewal Application, Licensee disclosed to the Commission that the Station had not fully complied with the Public File Rule. Specifically, Licensee stated that quarterly issues and programs lists for the fourth quarter of 2007 through the fourth quarter of 2009 were not placed in the Station's public inspection file in a timely manner.

4. Because of the compliance issues raised by these disclosures, the Parties have agreed to enter into this Consent Decree, to which both the Licensee and the Bureau intend to be legally bound.

### IV. Agreement

5. The Parties acknowledge that any proceeding that might result from the Public File Rule compliance issues referred to in Paragraph 3 above would be time-consuming and require a substantial expenditure of public and private resources. In order to conserve such resources, to resolve the matter, and to promote Licensee's compliance with the Public File Rule, the Parties are entering into this Consent Decree, in consideration of the mutual commitments made herein.

6. The Licensee and the Bureau agree to be legally bound by the terms and conditions of this Consent Decree. Each represents and warrants to the other that its signatory is duly authorized to enter into this Consent Decree on its behalf. The Licensee agrees that the Bureau has jurisdiction over the matters contained in this Consent Decree and the authority to enter into and adopt this Consent Decree.

7. The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Licensee and the Bureau concerning the Licensee's Violations at the Station, as discussed herein.

8. In express reliance on the covenants and representations in this Consent Decree, the Bureau agrees that it will not use the Violations in any action against the Licensee, provided that the Licensee satisfies all of its obligations under this Consent Decree. In the event that the Licensee fails to satisfy any of its obligations under this Consent Decree, the Bureau may take any enforcement action available pursuant to the Act and the Rules with respect to each Violation, and/or the violation of this Consent Decree.

9. The Licensee hereby stipulates that it has failed to comply with the Public File Rule in its maintenance of the public inspection file of the Station during the 2006-2014 license term, but contends that the failure of compliance does not rise to the level of a willful or repeated violation of the Public File Rule as those terms are defined in the Act.

10. The Licensee agrees to make a voluntary contribution to the United States Treasury in the amount of One Thousand Dollars (\$1,000.00). Such contribution will be made, without further protest or recourse to a trial *de novo*, by a check or similar instrument, wire transfer or money order payable to the order of the Federal Communications Commission. Payment by check or money order may be mailed to Federal Communications Commission, at P.O. Box 979088, St. Louis, MO 63197-9000. Payment by overnight mail may be sent to U.S. Bank-Government Lockbox #979088, SLMO-C2-GL, 1005 Convention Plaza, St. Louis, MO 63101. Payment by wire transfer may be made to ABA Number 021030004, receiving bank: TREAS NYC, BNF: FCC/ACV--27000001 and account number as expressed on the remittance instrument. If completing the FCC Form 159, enter the NAL/Account number in block number 23A (call sign/other ID), and enter the letters "FORE" in block number 24A (payment type code). Licensee will also send electronic notification on the date said payment is made to Kim.Varner@fcc.gov.

11. The Bureau agrees to grant the Renewal Application after the Effective Date provided that the following conditions have been met: 1) Licensee has fully and timely satisfied its obligation to make the voluntary contribution referenced in paragraph 10 of this Decree; and 2) there are no issues other than the Violations that would preclude grant of the Renewal Application.

12. The Licensee represents that, in addition to its existing policies and procedures, it has adopted, is currently in the process of implementing, and agrees to abide by the Compliance Plan for the purpose of ensuring compliance with the Public File Rule. Licensee agrees, to the extent that it has not already done so, to implement this Compliance Plan at the Station no later than thirty (30) days after the Effective Date, except as otherwise specified within the Compliance Plan, and to keep such Compliance Plan in effect for three (3) years after the Effective Date.

13. The Licensee represents that, as of the Execution Date of this Consent Decree, the Station's public file fully complies with the Public File Rule.

14. The Licensee agrees that it is required to comply with each individual condition of this Consent Decree. Each specific condition is a separate condition of the Consent Decree as approved. To the extent that the Licensee fails to satisfy any condition or Commission Rule, in the absence of Commission alteration of the condition or Rule, it will be deemed noncompliant and may be subject to possible enforcement action, including, but not limited to, revocation of the relief, designation of the matter for hearing, letters of admonishment and/or forfeitures.

15. The Consent Decree will be binding on the Licensee's successors-in-interest and assigns. The Licensee agrees that any future application to assign or transfer control of the Station within three (3) years of the Effective Date will include a statement executed by an authorized representative of the proposed assignee or transferee consenting to assumption of the responsibilities and duties set forth in this Consent Decree with regard to the Station.

16. The Licensee waives any and all rights it may have to seek administrative or judicial reconsideration, review, appeal, or stay, or to otherwise challenge the validity of this Consent Decree and the Order, provided the Order adopts the Consent Decree without change, addition or modification.

17. The Licensee agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. Section 504 and 47 C.F.R. Section 1.1501 *et seq.*, relating to the matters discussed in this Consent Decree.

18. The Licensee and the Bureau agree that the effectiveness of this Consent Decree is expressly contingent upon issuance of the Order, provided the Order adopts the Consent Decree without change, addition or modification.

19. The Licensee and the Bureau agree that if the Licensee, the Commission or the United States on behalf of the Commission, brings a judicial action to enforce the terms of the Order adopting this Consent Decree, neither the Licensee nor the Commission will contest the validity of the Consent Decree or Order, and the Licensee and the Commission will waive any statutory right to a *trial de novo* with respect to any matter upon which the Order is based (provided in each case that the Order is limited to adopting the Consent Decree without change, addition, or modification), and will consent to a judgment incorporating the terms of this Consent Decree.

20. The Licensee and the Bureau agree that, in the event that this Consent Decree is rendered invalid by any court of competent jurisdiction, it will become null and void and may not be used in any

manner in any legal proceeding.

21. This Consent Decree may be signed in counterparts and/or by telecopy and, when so executed, the counterparts, taken together, will constitute a legally binding and enforceable instrument whether executed by telecopy or by original signatures.
