

OFFICE OF  
THE CHAIRMAN

FEDERAL COMMUNICATIONS COMMISSION  
WASHINGTON

November 19, 2014

The Honorable Henry A. Waxman  
Ranking Member  
Committee on Energy and Commerce  
U.S. House of Representatives  
2125 Rayburn House Office Building  
Washington, D.C. 20515

Dear Congressman Waxman:

Thank you for providing me with your thoughtful views about how the Commission could potentially restore its rules to protect the Open Internet. Since we just met on this topic, I will not revisit our discussion here.

Suffice it to say, there are three bright lines for any open Internet rules: no blocking, no throttling, and no fast lanes.

Thank you for all your leadership – and your innovative thinking – on this important issue.

Sincerely,
