## **COMMENTS INVITED ON APPLICATION OF SPRINT COMMUNICATIONS COMPANY L.P. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

**WC Docket No. 14-243**  
**Comp. Pol. File No. 1190**

**Comments Due: December 22, 2014**

### **Section 214 Application**

**Applicant: Sprint Communications Company L.P.**

On November 3, 2014, **Sprint Communications Company L.P.** (Sprint or Applicant), located at **6200 Sprint Parkway, Overland Park, Kansas 66251**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue offering certain domestic telecommunications services to new customers in each of the United States, the District of Columbia, Puerto Rico and the U.S. Virgin Islands (collectively, Service Areas).

Sprint indicates that it currently offers Message Telecommunications Service (MTS), Wide Area Telecommunications Service (WATS), Private Line, Toll Free, Switched Data services and associated Directory Assistance, Operator Service and FONCARD services and features to consumer and business customers in the Service Areas (Affected Services). In addition, Sprint explains that it currently offers certain outbound international services and features, and Casual Caller Telecommunications Relay Service (TRS) interexchange service to TRS users in states where Sprint holds the TRS provider contract. Sprint states, however, that it now plans to discontinue offering the Affected Services to new customers in the Service Areas on January 5, 2015.<sup>1</sup> Sprint specifies that it plans to grandfather the Affected Services by ceasing to offer the services to new customers in the Service Areas, but Sprint asserts that service to existing customers will not be impacted by this filing. Sprint also emphasizes that it will continue to offer Casual Caller service to TRS system users in the 32 states where Sprint is bound to offer the service as the TRS contractor. Sprint maintains that the public convenience and necessity will not be adversely affected by the proposed grandfathering of the Affected Services because existing customers will be able to continue receiving these services from Sprint, and any other potential customers will readily be able to obtain substitute services from a variety of local and interchange carriers. The Applicant asserts that it is considered non-dominant with respect to the Affected Services.

---

<sup>1</sup> Sprint adds that it also plans to cease offering its outbound international services and features to new customers and grandfather those services for existing customers. Discontinuance of international service is governed by section 63.19 of the Commission's rules. See 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, Sprint's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies Sprint that the grant will not be automatically effective. In its application, Sprint indicates that it plans to discontinue offering the Affected Services to new customers in the Service Areas on January 5, 2015. Accordingly, pursuant to section 63.71(c) and the terms of Sprint's application, absent further Commission action, Sprint may discontinue offering the Affected Services to new customers in the Service Areas on or after **January 5, 2015**, in accordance with its filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **December 22, 2014**. Such comments should refer to **WC Docket No. 14-243 and Comp. Pol. File No. 1190**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
