**Streamlined International Applications Accepted For Filing  
Section 214 Applications (47 C.F.R. § 63.18); Section 310(b) Requests**

Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214, (a) to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

The petitions for declaratory ruling listed below are for authority under Section 310(b) of the Communications Act, 47 U.S.C. § 310(b), to exceed the foreign ownership limits applicable to common carrier radio licensees. The requested rulings will be granted 14 days after the date of this public notice, effective the next day, unless the application is formally opposed or the Commission has informed the applicant in writing, within 14 days of the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. For this purpose, a formal opposition shall be sufficient only if it is received by the Commission and by the applicant within 14 days of the date of this public notice and its caption and text make it unmistakably clear that it is intended to be a formal opposition.

Copies of all applications listed here are available for public inspection in the FCC Office of Public Affairs Reference and Information Center, located in room CY-A257 at the Portals 2 building, 445 12th Street SW, Washington DC 20554. **ITC-T/C-20150302-00061** E Limitless Mobile, LLC

Transfer of Control

**Current Licensee:** Limitless Mobile, LLC

**FROM:** Limitless Mobile Holdings, LLC

**TO:** Limitless Mobile Holdings, LLC

Application filed for consent to the transfer of control of international section 214 authorization, ITC-214-20100525-00214, held by Limitless Mobile, LLC (Limitless). Limitless is a member managed Delaware limited liability company whose sole member is Limitless Mobile Holdings, LLC (LMH), also a Delaware limited liability company. LMH is owned by more than a dozen investors and is controlled by an investor group comprised of Richard Worley, Sarah Miller and Robert Martin ("control group"). LMH seeks Commission approval for a change in the control group. Specifically, Robert Martin will leave the group and be replaced by Peter Morse. The Board of Directors of LMH seeks this change to ensure that the control group retains de jure control of the company following future capital calls. Upon closing, the reorganized control group of LMH - Peter Morse, Richard Worley, and Sarah Miller - will exercise both de facto and de jure control of LMH and Limitless.

The following three members, all U.S. citizens, hold a ten percent or greater equity and voting interests in LMH: Richard Worley (26.44%, including the fractional interests held by his wife (approximately 1%) and by two family trusts (each less than 2%) in which Mr. Worley serves as the trustee), Sarah Miller Coulson (18.98%), and Peter Morse (11.7%, including the interest held by the Morse Charitable Foundation, Inc. (less than 1%) where Mr. Morse serves as director and an officer).
