SECTION 43.62 ONLINE FILING SYSTEM CAN BE ACCESSED FOR ELECTRONIC FILINGS OF SECTION 43.62 INTERNATIONAL CIRCUIT CAPACITY REPORTS FROM MARCH 30, 2015 TO APRIL 30, 2015

Section 43.62 Online Filing System will Allow Submarine Cable Capacity Holders to Report Negative Circuit Capacity Numbers as Appropriate

IB Docket No. 04-112

Starting March 30, 2015, the Section 43.62 online filing system can be accessed using this link: [Section 43.62 Online Filing System](#).¹ As both rules and online filing system are new this year,² we urge circuit capacity holders to file their reports as early as possible. For this year only, circuit capacity reports as of December 31, 2014 will be due by April 30, 2015.³ Letters notifying that circuits have been discontinued should be emailed to Circuit.Capacity@fcc.gov.

We remind that the *Filing Manual for Section 43.62 Annual Reports* sets forth instructions on how to file the reports using Section 43.62 online filing system, including who must file, which of the reports to file, the information that each report must contain, and the filing procedures. In addition, we clarify an omission in the *Filing Manual for Section 43.62 Annual Reports*. Section 43.62 online filing system will allow reporting of negative numbers for International cable capacity as appropriate. The new Paragraph 21 of the *Filing Manual for Section 43.62 Annual Reports* reads as follows (new clarified language in *italics*):

“21. Negative Numbers. File customer revenue without subtracting any expenses, allowances for uncollectible accounts or settlement payouts, and without
