No. 15-1063

September Term, 2014

FURTHER ORDERED that the unopposed motion for expedition be granted. The parties are directed to file a proposed briefing format and schedule within 14 days of the date of this order. The parties are strongly urged to submit a joint proposal, and are reminded that the court looks with extreme disfavor on repetitious submissions and will, where appropriate, require a joint brief of aligned parties with total words not to exceed the standard allotment for a single brief. Whether the parties are aligned or have disparate interests, they must provide *detailed* justifications for any request to file separate briefs or to exceed in the aggregate the standard word allotment. Requests to exceed the standard word allotment must specify the word allotment necessary for each issue. It is

FURTHER ORDERED that the motion to dismiss be referred to the merits panel to which these petitions for review are assigned. The parties are directed to address in their briefs the issues presented in the motion to dismiss rather than incorporate those arguments by reference.
