MM Docket No. 88-606

In the Matter of

Amendment of Section 73.202(b), RM-6434
Table of Allotments,
FM Broadcast Stations.
(Eureka, California)

NOTICE OF PROPOSED RULE MAKING

Adopted: November 28, 1988; Released: January 24, 1989

By the Deputy Chief, Policy and Rules Division:

1. Eureka Christian Broadcasting, Inc. (petitioner), permittee of Station KECU(FM), Channel 288A, Eureka, California, has filed a petition for rule making seeking the substitution of Channel 288C1 for Channel 288A and modification of its permit to specify operation on the higher-powered channel.

2. We believe that this proposal is in the public interest, since it could provide an additional expanded coverage FM service to Eureka. A staff engineering analysis has verified that Channel 288C1 can be substituted for Channel 288A at the petitioner's specified site,¹ in conformity with the minimum distance separation requirements of Section 73.207(b) of the Commission's Rules.

3. Although petitioner requested the issuance of an *Order to Show Cause* in connection with its modification request, such action is not required. Rather, in accordance with established Commission policy, we shall propose to modify the Class A permit of Station KECU(FM), as requested by petitioner, in the event Channel 288C1 is substituted for Channel 288A at Eureka, California. Moreover, pursuant to the authority contained in Section 1.420(g) of the Commission's Rules, we will not accept other expressions of interest in the use of Channel 288C1 at Eureka.

4. Accordingly, in order to provide Eureka with an additional expanded coverage FM service, we seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, as follows:

City	Channel No.	
	Present	Proposed
Eureka, California	222C, 242C, 268C, 288A	222C, 242C, 268C, 288C1

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particu-

lar, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **March 17, 1989**, and reply comments on or before **April 3, 1989**, and are advised to read the Appendix for the proper procedures. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

James J. Popham, Esq.
Walker, Bordelon, Hemlin,
Theriot and Hardy
701 South Peters Street
New Orleans, LA 70130

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
