**ORDER**

**Adopted: October 6, 2015**

**Released: October 7, 2015**

By the Chief, Enforcement Bureau:

1. The Enforcement Bureau (Bureau) of the Federal Communications Commission has entered into a Consent Decree to resolve its investigation into whether Rio Verde Wireless, LLC (Rio Verde) failed to timely file FCC Form 477 and failed to fully respond to the Bureau’s letter of inquiry. The information provided on FCC Form 477 allows the Commission to analyze broadband availability and adopt policies that help promote widespread broadband deployment throughout the United States. Responding fully to letters of inquiry allows the Bureau to conduct efficient and effective investigations. To settle this matter, Rio Verde admits that it failed to file a timely Form 477 and failed to respond properly to the Bureau’s letter of inquiry, will implement a compliance plan, and will pay a \$10,500 civil penalty.

2. After reviewing the terms of the Consent Decree and evaluating the facts before us, including Rio Verde’s showing of financial hardship and its stated commitment to future compliance with the Commission’s rules, we find that the public interest would be served by adopting the Consent Decree and resolving the Notice of Apparent Liability for Forfeiture (NAL) regarding Rio Verde’s compliance with Sections 1.7001 and 1.7002 of the Commission’s rules (Rules)<sup>1</sup> and the Commission’s requirement that entities subject to the Commission’s jurisdiction must respond to letters of inquiry issued by the Bureau.<sup>2</sup>

3. In the absence of material new evidence relating to this matter, we do not set for hearing the question of Rio Verde’s basic qualifications to hold or obtain any Commission license or authorization.<sup>3</sup>

4. Accordingly, **IT IS ORDERED** that, pursuant to Sections 4(i) and 503(b) of the Act<sup>4</sup> and the authority delegated by Sections 0.111 and 0.311 of the Rules,<sup>5</sup> the attached Consent Decree **IS ADOPTED** and its terms incorporated by reference.

## II. BACKGROUND

3. The Commission requires broadband service providers to file FCC Form 477 on which they report service speed and subscriber information that the Commission uses to assess the state of broadband availability in the United States and to further its broadband goals. The Commission uses the data collected to appropriately target universal service funds to unserved and underserved regions and to meet public safety obligations. Federal and state agencies also benefit from the data reported on Form 477. Data from rural areas is particularly important to the Commission’s mission because these areas often lack widespread broadband availability. Section 1.7001 and 1.7002 of the Rules state that facilities-based providers of broadband service must file completed Forms 477 twice each year.

4. Additionally, all entities subject to the Commission’s jurisdiction must respond to letters of inquiry issued by the Bureau. Entities that fail to respond properly to such inquiries may be subject to penalties.

5. Rio Verde is a Wireless Internet Service Provider (WISP) that provides broadband Internet service to consumers at fixed locations in Arizona. As a WISP, the Company uses unlicensed spectrum to serve customers in primarily rural areas. For several years, Rio Verde failed to file Forms 477. After the Bureau initiated its investigation, Rio Verde filed its completed Form 477, due in March 2014, more than five weeks late. Further, the Company did not cooperate with the Bureau’s investigation of its failure to file Forms 477. Despite receiving clear direction from Bureau staff, Rio Verde never filed a formal response to the Bureau’s LOI. On March 11, 2015, the Bureau issued an NAL finding Rio Verde apparently liable for a penalty totaling \$20,000 for filing a late Form 477 and for failing to respond properly to the Bureau’s LOI.<sup>8</sup>

6. Rio Verde admits to failing to file Forms 477 for several years and missing the filing deadline for its March 2014 Form 477. The Company also admits to failing to properly respond to the Bureau’s LOI. After the Bureau concluded its investigation, Rio Verde sought assistance to meet its filing deadlines and has timely filed complete Form 477s with the Commission. We expect the Company’s compliance with these rules to continue.

The Bureau further agrees that, in the absence of new material evidence, it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute, on its own motion, any new proceeding, formal or informal, or take any action on its own motion against Rio Verde concerning the matters that were the subject of the Investigation. The Bureau also agrees that, in the absence of new material evidence, it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceeding, formal or informal, or to set for hearing the question of Rio Verde's basic qualifications to be a Commission licensee or hold Commission licenses or authorizations.<sup>9</sup>

11. **Admission of Liability.** Rio Verde admits for the purpose of this Consent Decree and for Commission civil enforcement purposes, and in express reliance on the provisions of paragraph 10 herein, that its actions as described in paragraphs 5 and 6 violated the Form 477 Rules and a Commission order.
