MM Docket No. 88-609

In the Matter of

Amendment of Section 73.202(b), RM-6498
Table of Allotments,
FM Broadcast Stations.
(Galeton, Pennsylvania)

NOTICE OF PROPOSED RULE MAKING

Adopted: December 2, 1988; Released: January 31, 1989

By the Deputy Chief, Policy and Rules Division:

1. The Commission has before it the petition for rule making filed by Lori L. Michael (petitioner), requesting the allotment of Channel 268B1 to Galeton, Pennsylvania, as the community's first local FM service. Petitioner states that she will apply for the channel, if allotted.

2. Channel 268B1 can be allotted to Galeton in compliance with the Commission's minimum distance separation requirements. However, this allotment would be short-spaced to the alternative proposal of Anita L. Clark to allot Channel 268A to Covington, Pennsylvania, in lieu of the proposed Channel 234A (MM Docket No. 88-258, 3 FCC Rcd 3181 (1988)). In an effort to avoid a potential conflict, the staff has performed a channel search and found that Channel 264B1 can be allotted to Galeton in compliance with the Commission's minimum distance separation requirements with a site restriction of 15.4 kilometers (9.6 miles) southeast to avoid a short-spacing to Stations WQIX, Channel 265A, Horseheads, New York, and WBJZ, Channel 265A, Olean, New York.¹ Therefore, we will substitute Channel 264B1 for consideration herein.

3. Galeton is located within 320 kilometers (200 miles) of the U.S.-Canadian border. Therefore, concurrence by the Canadian Government must be received before the allotment may be finalized.

4. We believe the public interest would be served by proposing the allotment of Channel 264B1 to Galeton, Pennsylvania, since an interest has been expressed in providing the community with its first local FM service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Galeton, Pennsylvania	--	264B1

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **March 24, 1989**, and reply comments on or before **April 10, 1989**, and are advised to read the Appendix for the proper procedures. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

R.D. #1, Box 59
Benton, Pennsylvania 17814
(Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See, *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202 (b), 73.504 and 73.606 (b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
