MM Docket No. 88-604

In the Matter of

Amendment of Section 73.202(b), RM-6271
Table of Allotments,
FM Broadcast Stations.
(Prairie Grove, Arkansas)

NOTICE OF PROPOSED RULE MAKING

Adopted: November 29, 1988; Released: January 31, 1989

By the Deputy Chief, Policy and Rules Division:

1. A petition for rule making has been filed on behalf of Southside Broadcasting (petitioner) proposing the allotment of FM Channel 235A to Prairie Grove, Arkansas, as that community's first local broadcast service. Petitioner stated its intention to apply for the channel if allotted.

2. A staff engineering analysis has determined that Channel 235A can be allotted to Prairie Grove, Arkansas, in conformity with the minimum distance separation requirements of Section 73.207(b) of the Commission's Rules, provided the transmitter is sited at least 8.7 kilometers south¹ to negate a short-spacing to the application (BPH-870227IU) filed by Station KMCK(FM), Channel 289C1, Siloam Springs, Arkansas,² to relocate its transmitter and modify its facilities.

3. In view of the fact that Prairie Grove could receive a first local broadcast service, the Commission believes it is appropriate to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to that community, as follows:

City	Channel No.	
	Present	Proposed
Prairie Grove, Arkansas	-	235A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before March 24, 1989, and reply comments on or before April 10, 1989, and are advised to read the Appendix for the proper procedures. Additionally, a copy of such comments should be served on the petitioner, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
