MM Docket No. 89-4

In the Matter of

Amendment of Section 73.202(b), RM-6565
Table of Allotments,
FM Broadcast Stations.
(Mansfield, Pennsylvania)

NOTICE OF PROPOSED RULE MAKING

Adopted: January 4, 1989; Released: February 6, 1989

By the Deputy Chief, Policy and Rules Division:

1. The Commission has before it the petition for rule making filed by Kennedy Broadcasting, Inc. (petitioner), requesting the allotment of Channel 268A to Mansfield, Pennsylvania, as the community's first local FM service. Petitioner states that it will apply for the channel, if allotted.

2. A staff review of petitioner's proposal reveals that the requested allotment of Channel 268A at Mansfield conflicts with two pending proposals, one to allot Channel 268B1 to Galeton, Pennsylvania (RM-6598) and the other to allot Channel 268A to Covington, Pennsylvania (MM Docket 88-248). However, we have found that Channel 277A can be allotted to Mansfield without conflicting with any other pending rule making proceeding. Accordingly, we are substituting Channel 222A for consideration herein. Channel 277A can be allotted to Mansfield in compliance with the Commission's minimum distance separation requirements with a site restriction of 6.8 kilometers (4.2 miles) west to avoid a short-spacing to recently allotted Channel 222A at Riverside, Pennsylvania (MM Docket 88-68).¹ Canadian concurrence must be received before the allotment can be finalized since Mansfield is located within 320 kilometers of the U.S.-Canadian border.

3. We believe the public interest would be served by proposing the allotment of Channel 277A to Mansfield, Pennsylvania, since an interest has been expressed in providing the community with its first local FM service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Mansfield, Pennsylvania	--	277A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appen-

dix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before March 30, 1989, and reply comments on or before April 14, 1989, and are advised to read the Appendix for the proper procedures. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Mr. John A. Kennedy
President, Kennedy Broadcasting, Inc.
R.D. 1, Box 460
Cogan Station, Pennsylvania 17728
(Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See, *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202 (b), 73.504 and 73.606 (b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
