MM Docket No. 89-21

In the Matter of

Amendment of Section 73.202(b), RM-6566
Table of Allotments,
FM Broadcast Stations.
(Grove City, Pennsylvania)

NOTICE OF PROPOSED RULE MAKING

Adopted: January 25, 1989; Released: February 10, 1989

By the Deputy Chief, Policy and Rules Division:

1. The Commission has before it the petition for rule making filed by Gary P. Hummel, Robert A. Hogue, and Michael Troliano (petitioners) requesting the allotment of Channel 270A to Grove City, Pennsylvania, as the community's second local FM service. Petitioners state that they will apply for the channel, if allotted.¹

2. Channel 270A can be allotted to Grove City in compliance with the Commission's minimum distance separation requirements with a site restriction of 7.2 kilometers (4.5 miles) west to avoid a short-spacing to noncommercial educational Station WSAJ-FM, Channel 216A, Grove City.² Canadian concurrence is required before the channel allotment can be finalized since Grove City is located within 320 kilometers (200 miles) of the U.S.-Canadian border.

3. We believe the public interest would be served by proposing the allotment of Channel 270A to Grove City, Pennsylvania, since it could provide the community with its second local FM service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Grove City, Pennsylvania	236B	236B, 270A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before April 3, 1989, and reply comments on or before April 18, 1989, and are advised to read the Appendix for the proper procedures. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Jack W. Cline, Esq.
Stranahan & Stranahan
101 S. Pitt Street
P.O. Box 206
Mercer, Pennsylvania 16137
(Counsel to petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See, *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposal(s) in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

FOOTNOTES

¹ The petitioners have requested a waiver of the Commission's IF spacing requirements with respect to noncommercial educational Station WSAJ-FM at Grove City so as to permit location of the transmitter at their preferred site. However, they note that Channel 270A can be allotted to Grove City without such a waiver and state their willingness to apply for the channel if so allotted. Therefore, in accordance with Commission policy, we find that any such waiver request would be more properly considered at the application stage.

² The coordinates for this allotment are North Latitude 41-08-36 and West Longitude 80-10-25.
