FM Broadcast Stations.
(Springfield and Tallahassee
Florida)

**NOTICE OF PROPOSED RULE MAKING
AND ORDER TO SHOW CAUSE**

Adopted: January 24, 1989; Released: February 10, 1989

By the Deputy Chief, Policy and Rules Division:

1. The Commission herein considers a petition for rule making filed by Royal Palm Communications, Inc. (petitioner), licensee of Station WRBA(FM), at Springfield, Florida, proposing to substitute Channel 240C1 for Channel 240A at Springfield, and to modify its class A license to specify the class C1 channel. The proposal to allot Channel 240C1 to Springfield will require the substitution of Channel 241A for Channel 240A at Tallahassee, Florida, and modification of the license for Station WTMG(FM) to specify operation on the new class A channel.

2. A staff engineering study indicates that both the Springfield and Tallahassee substitutions can be made in compliance with minimum distance separation requirements at the current site of Station WRBA(FM), Springfield and Station WTMG(FM), Tallahassee.¹

3. We shall proposed to modify the license of Station WRBA(FM) to specify operation on Channel 240C1, as requested. In accordance with Section 1.420(g) of the Rules, we shall not accept other expressions of interest.

4. We are also issuing a *Show Cause Order* to HVS Partners, the licensee of Station WTMG, Tallahassee, Florida, seeking comments as to why its license should not be modified to specify operation on Channel 241A in lieu of 240A. Whenever an existing permittee or licensee is ordered to switch channels in order to accommodate a new allotment, we require the proponent of the new allotment to make a commitment that it will reimburse the permittee or licensee for reasonable and prudent expenses incurred by the change of channels. Petitioner has indicated its willingness to reimburse the licensee of Station WTMG(FM) for its costs in implementing the change in frequency in accordance with Commission policy.

5. In view of the fact that the proposed allotment could provide a first wide coverage area station at Springfield, Florida, the Commission proposes to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following communities:

City	Channel No.	
	Present	Proposed
Springfield, Florida	240A	240C1
Tallahassee, Florida	240A	241A

6. IT IS ORDERED, That pursuant to Section 316(a) of the Communications Act of 1934, as amended, HVS Partners, licensee of Station WTMG(FM), Tallahassee, Florida, SHALL SHOW CAUSE why its license should not be modified to specify operation on Channel 241A in lieu of Channel 240A.

7. Pursuant to Section 1.87 of the Commission's Rules, HVS Partners, may, not later than April 3, 1989, file a written statement showing with particularity why its license should not be modified as proposed in the *Order to Show Cause*. The Commission may call on HVS Partners, to furnish additional information. If HVS Partners, raises a substantial and material question of fact, a hearing may be required to resolve such a question pursuant to Section 1.87. Upon review of the statements and/or additional information furnished, the Commission may grant the modification, deny the modification, or set the matter of modification for hearing. If no written statement is filed by the date referred to above, HVS Partners, will be deemed to have consented to the modification as proposed in the *Order to Show Cause* and a final *Order* will be issued by the Commission, if the above-mentioned channel modification is ultimately found to be in the public interest.
