MM Docket No. 89-12

In the Matter of

Amendment of Section 73.202(b), RM-6545  
Table of Allotments,  
FM Broadcast Stations.  
(Oakes, North Dakota)

NOTICE OF PROPOSED RULE MAKING

Adopted: January 17, 1989; Released: February 8, 1989

By the Deputy Chief, Policy and Rules Division:

1. The Commission has before it the petition for rule making filed by CERM Broadcasting Corporation (petitioner), requesting the substitution of Channel 223C1 for Channel 222C2 at Oakes, North Dakota, and the modification of its license for Station KDDR-FM to specify operation on the higher powered channel.<sup>1</sup> Petitioner states that it will apply for the channel, if allotted.

2. Channel 223C1 can be allotted to Oakes in compliance with the Commission's minimum distance separation requirements without the imposition of a site restriction.<sup>2</sup> Canadian concurrence is required since Oakes is located within 320 kilometers (200 miles) of the U.S.-Canadian border. As requested, we shall also propose to modify petitioner's license to specify operation on Channel 222C1. In accordance with Section 1.420(g) of the Commission's Rules, we shall not accept competing expressions of interest in use of Channel 222C1 at Oakes or require the petitioner to demonstrate the availability of an additional equivalent channel for use by such other interested parties.

3. We believe the public interest would be served by proposing the substitution of Channel 223C1 for Channel 222C2 at Oakes, North Dakota, since it could enable Station KDDR-FM to expand its coverage area. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

	Channel No.	
City	Present	Proposed
Oakes, North Dakota	222C2 2	23C1

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before April 3, 1989, and reply comments on or before April 18, 1989, and are advised to read the Appendix for the proper procedures. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Frank R. Jazzo, Esq.  
Fletcher, Heald & Hildreth  
1225 Connecticut Avenue, N.W., Suite 400  
Washington, D.C. 20036-2679  
(Counsel to petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See , *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202 (b), 73.504 and 73.606 (b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
