Southern New England Telephone Company Files Supplemental Information In Support of Its Cost Accounting Plan filed in SNET Transmittal No. 641

PUBLIC COMMENT INVITED

Comment Date: July 10, 1995

Reply date: July 20, 1995

On June 19, 1995, Southern New England Telephone Company, Inc. (SNET) filed supplemental information to the cost accounting plan submitted to the Commission on March 9, 1995, in Transmittal No. 641, which proposes rates for Video Dialtone Trial service. The supplemental information addresses SNET's compliance with the Commission's Part 32 and Part 64 accounting requirements for video dialtone described in the Commission's RAO letter 25, released April 3, 1995. The supplemental information provides a more detailed description of SNET's proposed accounting methodology and defines the process and underlying principles associated with the identification of telephone and broadband/video dialtone revenues, investments and costs contained in SNET's subsidiary accounting records.

Parties may file comments on the supplemental information provided by SNET by July 10, 1995. Replies should be filed by July 20, 1995. A copy of each pleading should be sent to Tom Quaile, FCC, Common Carrier Bureau, 2000 L St., NW, Room 812, Washington, D.C. 20554 and the International Transcription Service (ITS), 2100 M St., NW, Suite 140, Washington, D.C. 20037, (202) 857-3800. Copies are available for public inspection and copying in the Accounting and Audits Division public reference room, 2000 L St., NW, Suite 812, Washington, D.C. Copies are also available from ITS.
