**PUBLIC NOTICE**

Released: November 9, 1995

**CABLE SERVICES BUREAU ANNOUNCES  
EXTENSION OF TIME TO FILE PRICE  
SURVEY FORMS NEW DEADLINE:  
DECEMBER 15, 1995**

The Cable Services Bureau is extending the filing deadline for the annual survey of cable industry prices ("price survey") outlined in DA 95-2138, October 10, 1995. The price survey forms were sent to approximately 1100 cable operators around the country on October 13, 1995. On November 3, 1995, the Bureau received two letters requesting an extension on the deadline for filing the survey forms. Both letters (from Jones Intercable, Inc. and from Cox Communications, Inc.) asserted that more time was needed for filing the price survey forms because of company budget review process constraints and because of administrative difficulties in compiling the necessary data.

The Bureau recognizes that the coordination of survey responses can prove time consuming, particularly when response coordination involves systems of varying size and wide geographic diversity. The Bureau also believe that the difficulties expressed in the extension requests may characterize difficulties encountered by other operators attempting to meet the current deadline. Accordingly, the Bureau believes the requests for additional time are reasonable and grants an extension and establishes a new response deadline of December 15, 1995.

Note: This action extends the filing deadline for the price survey and should not be confused with an earlier Public Notice (DA 95-2252) extending the deadline for the cost survey.

All Survey Forms should be marked "Attn: Price Survey" and be filed with the Office of the Secretary, Federal Communications Commission, 1919 M Street, N.W., Washington, D.C. 20554.

For further information about this Public Notice contact Marcia Glauberman or Paul Glenchur of the Cable Services Bureau at (202) 416-0800. Media contact: Morgan Broman (202) 416-0852
