ORDER

Adopted: April 7, 1995

Released: April 10, 1995

By the Chief, Commercial Wireless Division:

1. By this *Order*, we grant a request by Telephone Electronics Corporation (TEC) for an additional extension of time to file reply comments in connection with its March 28, 1995 Petition for Waiver. In its April 7 request, TEC stated that another extension was needed to allow TEC to complete its review of the large number of comments that had been filed in response to its waiver request. See TEC Request for an Enlargement of Time to File Reply Comments in PP Docket No. 93-253 (Apr. 5, 1995). TEC thereby requested until April 14 to submit its reply comments. TEC previously has requested, and we granted, an extension until April 7 to file comments. See *Order* in PP Docket No. 93-253, DA 95-753 (Apr. 6, 1995). We believe that an additional extension of time is reasonable and will allow TEC to respond in a meaningful manner to the significant number of comments that were filed in this matter. Accordingly, we grant TEC until April 14 to submit its reply comments.
