STREAMLINED RESOLUTION OF REQUESTS RELATED TO ACTIONS BY THE UNIVERSAL SERVICE ADMINISTRATIVE COMPANY

CC Docket No. 02-6
CC Docket No. 96-45

Pursuant to our procedure for resolving requests for review, requests for waiver, and petitions for reconsideration of decisions related to actions taken by the Universal Service Administrative Company (USAC) that are consistent with precedent (collectively, Requests), the Wireline Competition Bureau (Bureau) grants, dismisses, or denies the following Requests.¹ The deadline for filing petitions for reconsideration or applications for review concerning the disposition of any of these Requests is 30 days from release of this Public Notice.²

Schools and Libraries (E-rate) CC Docket No. 02-6

Dismissed³

Arts Academy Charter School, PA, Application No. 971960, Request for Review, CC Docket No. 02-6 (filed Feb. 19, 2016)

Hampton School District 29, IL, Application No. 949570, Request for Review, CC Docket No. 02-6 (filed Mar. 28, 2016)

¹ See *Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Section 54.719(b) of the Commission's rules provides that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Section 54.719(c) of the Commission's rules provides that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. 47 CFR § 54.719(b)-(c). In this Public Notice, we have reclassified as Requests for Waiver those appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review those appeals seeking a waiver of the Commission's rules but are actually seeking review of a USAC decision.

² See 47 CFR §§ 1.106(f), 1.115(d); see also 47 CFR § 1.4(b)(2) (setting forth the method for computing the amount of time within which persons or entities must act in response to deadlines established by the Commission).

*Considering Price of Eligible and Ineligible Items as Primary Factor in Vendor Selection Process*⁹

Shawnee Mission School District 512, MO, Application No. 161026051, Request for Waiver, CC

⁶ See, e.g., *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Allan Shivers Library et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order and Order on Reconsideration, 29 FCC Rcd 10356, 10357, para. 2 (WCB 2014) (dismissing petitions for reconsideration that fail to identify any material error, omission, or reason warranting reconsideration, and rely on arguments that have been fully considered and rejected by the Bureau within the same proceeding).

⁷ Pribilof School District suggests that the notice it received on July 25, 2016 that its application was out-of-window may have led it to believe that it might still receive funding even without filing a waiver. However, the message USAC sent it on July 26, 2016, via the EPC news feed, clearly stated that because its application was received out-of-window, it would not be considered for funding, although it could file a waiver of the filing deadline. In any case, Pribilof concedes that it knew it “would need to file a waiver of the application deadline” based on the July 25, 2016 notice, and that it did not do so within 60 days of receiving notice of its out-of-window status.

⁸ We remand these applications to USAC and direct USAC to complete its review of the applications, and issue a funding commitment or a denial based on a complete review and analysis, no later than 90 calendar days from the release date of this Public Notice. In remanding these applications to USAC, we make no finding as to the ultimate eligibility of the services or the petitioners’ applications. We also waive sections 54.507(d) and 54.514(a) of the Commission’s rules and direct USAC to waive any procedural deadline that might be necessary to effectuate our ruling. See 47 CFR § 54.507(d) (requiring non-recurring services to be implemented by September 30 following the close of the funding year); 47 CFR § 54.514(a) (codifying the invoice filing deadline).

⁹ See, e.g., *Requests for Review of Decisions of the Universal Service Administrator by Coolidge Unified School District 21; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 28 FCC Rcd 16907 (WCB 2013) (waiving sections 54.504 and 54.511 of the Commission’s rules where the record demonstrated that the applicant would have selected the same vendor if it had excluded the price of ineligible items from the “cost” criterion). Alternatively, we also grant a waiver of the requirement that an applicant be able to demonstrate that it used price of eligible services as the primary factor in vendor selection when the applicant selected the lowest priced option and there was no evidence of waste, fraud, or abuse. See, e.g., *Requests for Review of Decisions of the Universal Service Administrator by Allendale County School District et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 26 FCC Rcd 6109, 6115-17, paras. 10-12 (WCB 2011) (*Allendale Order*). Furthermore, regarding USAC’s determination that the school district failed to consider all bids, we grant the appeal because the record demonstrated that the school district properly disqualified an incomplete bid. See, e.g., *id.* at 6117-18, para. 13 (granting appeal where the record shows that the applicant considered each bid it received and rejected a service provider’s bid only after determining that the bid was incomplete).

USAC also concluded that the applicant committed a competitive bidding violation by selecting different services than those that it competitively bid. We find no evidence that the applicant violated our competitive bidding requirements and grant the appeal with respect to competitive bidding. See, e.g., *Allendale Order*, 26 FCC Rcd at 6114-15, para. 9 (granting appeal where the record demonstrated that the competitive bidding process did not violate program rules).
