NOTICE OF UNLICENSED OPERATION

Case Number: EB-FIELDNER-17-00025042

On July 31, 2017, Agents from the New York Office (New York Office) of the Federal Communications Commission's (FCC or Commission's) Enforcement Bureau (Bureau) responded to a complaint of an unlicensed FM station operating on the frequency 90.1 MHz in Bronx, New York. The Agents confirmed by direction finding techniques that radio signals on frequency 90.1 MHz were emanating from your residence on Byron Avenue, Bronx, New York. The Commission's records show that no license was issued for operation of a radio station on 90.1 MHz at this location in Bronx, New York. Through investigation, the Agent determined that you were the operator of the station.

Radio stations operating on a range of frequencies,¹ including 90.1 MHz, must be licensed by the FCC pursuant to Section 301 of the Communication Act of 1934, as amended (Act).² The only exception to this licensing requirement is for certain transmitters using or operating at a power level or mode of operation that complies with the standards established in Part 15 of the Commission's rules.³ On July 31, 2017, the field strength of the signal on frequency 90.1 MHz exceeded the maximum permitted level of 250 microvolts per meter ($\mu\text{V}/\text{m}$) at 3 meters for non-licensed devices. Thus, this station was operating in violation of Section 301 of the Act.⁴

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization, or in violation of the Commission's RF radiation limits, constitutes a violation of the Federal laws cited above and will subject the operator to severe penalties, including, but not limited to, *in rem* seizure of the offending radio equipment without further notice, substantial fines, and criminal sanctions, including imprisonment.⁵

¹ 47 CFR § 73.201.

² 47 U.S.C. § 301.

³ 47 CFR §§ 15.1 *et seq.*

⁴ 47 U.S.C. § 301.

⁵ See 47 U.S.C. §§ 401, 501, 503 and 510.

UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the Commission. Your response should be sent to the address in the letterhead and reference the listed case number. Under the Privacy Act of 1974,⁶ we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with Commission rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.

David C. Dombrowski
