FCC ANNOUNCES THE CHAIR, VICE CHAIR AND MEMBERSHIP OF THE NORTH AMERICAN NUMBERING COUNCIL

CC Docket No. 92-237

This Public Notice serves as notice that, consistent with the Federal Advisory Committee Act,¹ Federal Communications Commission (FCC or Commission) Chairman Ajit Pai has appointed members to serve on the North American Numbering Council (NANC).

Chairman Pai has designated the Honorable Travis Kavulla, Commissioner, Montana Public Service Commission, to serve as Chair of the NANC, and Diane Griffin Holland, Vice President, Law and Policy, USTelecom, to serve as Vice Chair. A full list of NANC members is attached to this Public Notice.

In addition, the Chairman has identified the following working groups that will assist the NANC in carrying out its work:

- *Numbering Administration Oversight Working Group*
- *Call Authentication Trust Anchor Issues Working Group*
- *Toll Free Number Modernization Issues Working Group*
- *Nationwide Number Portability Issues Working Group*

The Numbering Administration Oversight Working Group will be a permanent, standing working group. The remaining working groups are issue-specific and will therefore lapse at the conclusion of their assigned work. Additional issue-specific working groups may be formed as needs dictate. In addition to participation by NANC members on the Working Groups, the Commission also welcomes participation by parties that are not NANC members but have an interest in specific issues in a working group.

More information about the NANC is available at <https://www.fcc.gov/about-fcc/advisory-committees/general/north-american-numbering-council>. Further information and expressions of interest in participating in the Working Groups also may be directed to Marilyn Jones, Designated Federal Officer (DFO) of the NANC, at marilyn.jones@fcc.gov or 202-418-2357; Michelle Sclater, Alternate DFO, at michelle.sclater@fcc.gov or 202-418-0388 or Carmell Weathers, Special Assistant to the DFO, at carmell.weathers@fcc.gov or 202-418-2325.
