**REGION TWO**  
P.O. Box 1493  
Powder Springs, GA 30127

December 21, 2017

Dexter Dixon, Sr.  
Riviera Beach, Florida

**NOTICE OF UNLICENSED OPERATION**

Case Number: EB-FIELDSCR-17-00025788

On December 6, 2017, Agents from the Miami Office (Miami Office) of the Federal Communications Commission's (FCC's or Commission's) Enforcement Bureau (Bureau) confirmed by direction finding techniques that radio signals on frequency 92.9 MHz were emanating from your residence located on West Blue Heron Boulevard in Riviera Beach, Florida. The Commission's records show that no license was issued for operation of a broadcast station on 92.9 MHz at this location in Riviera Beach, Florida.

Radio stations operating on a range of frequencies,<sup>1</sup> including 92.9 MHz, must be licensed by the FCC pursuant to Section 301 of the Communications Act of 1934, as amended (Act).<sup>2</sup> The only exception to this licensing requirement is for certain transmitters using or operating at a power level that complies with the standards established in Part 15 of the Commission's rules.<sup>3</sup> On December 6, 2017, Agents made field strength measurements of the signal on frequency 92.9 MHz, which exceeded the maximum permitted level of 250 microvolts per meter ( $\mu\text{V}/\text{m}$ ) at 3 meters for non-licensed devices. Thus, this station is operating in violation of Section 301 of the Act.<sup>4</sup>

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* seizure of the offending radio equipment, and criminal sanctions including imprisonment.<sup>5</sup>

**UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY AND MUST NOT RESUME.**

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the Commission. Your response should be sent to the address in
