Re: **WARNING NOTICE**
Amateur Radio License WW4D

Dear Mr. Roll:

On Friday, November 16, 2012, you were heard by staff at the Commission's monitoring station failing to properly identify your amateur station while operating on the frequency of 14.313 MHz.

On November 16, 2012, you were heard by a Commission employee operating your amateur radio station for 20 minutes without identifying in a timely manner. The Commission employee used direction finding equipment and confirmed the transmissions were coming from your location. The employee recorded the offending transmissions, and provided undersigned counsel with recordings of the incident in question. Should you desire a copy of the recording, one will be made available to you.

This incident constitutes a failure to properly transmit your assigned call sign in violation of the Commission's rules. Your operation as described above is contrary to the basis and purpose of the amateur radio service as set out in Section 97.1 and is a violation of Section 97.119(a) of the Commission's rules.¹ Please be advised that the Commission expects you to abide by its rules. This letter serves as notice that, if operation of this type reoccurs after receipt of this letter, you could be subject to severe penalties, including license revocation, monetary forfeiture (fines),² or a modification proceeding to restrict

¹ See 47 C.F.R. §§ 97.1 and 119(a).

² Fines normally range from \$7,500 to \$10,000.
