Warning Notice

Dear Mr. Migliori:

The trustee of K9KAO has requested that you refrain from use of his repeater. The request was issued as a result of your failure to follow operational rules set forth by the licensee/control operators of the repeater system for their users. You were previously issued multiple verbal requests to refrain from using the system, but were heard again on the repeater subsequent to those requests. On January 29, 2013, the trustee again confirmed via a written request that you were to refrain from using his repeater. Immediately following that letter, you were again heard on the repeater necessitating the request of the repeater owner for Commission intervention.

The Commission requires that repeaters be under the supervision of a control operator and not only expects, but requires, that such control operators be responsible for the proper operation of the repeater system. Control operators may take whatever steps they deem appropriate to ensure compliance with the repeater rules, including limiting the repeater use to certain users, converting the repeater to a closed repeater or taking it off the air entirely.

Please be advised that the Commission expects you to abide by the request of the control operator that you stay off of K9KAO – and any other similar requests to cease operations on any other repeaters by any other repeater licensees, control operators or trustees.

Use of K9KAO again after receipt of this letter could subject you to severe penalties, including license revocation, monetary forfeiture (fine)¹ or a modification proceeding to restrict the frequencies upon which you may operate.

Sincerely,

Laura L. Smith, Esq.
