ERRATUM

Released: June 7, 2012

By the Acting Chief, Consumer and Governmental Affairs Bureau:

On April 27, 2012, the Commission released a Report and Order and Further Notice of Proposed Rulemaking, FCC 12-42, in the above-captioned proceeding. This Erratum corrects the sixth sentence in paragraph 151 by replacing “by promoting the fair and expeditious resolution of program carriage complaints” with “because they help address cramming without requiring a specific format for new disclosures or bill changes.”
