Dear Congresswoman Brownley:

Thank you for your letter of support for the recommendations of the California Emerging Technology Fund (CETF) regarding the Comcast-Time Warner Cable transaction proceeding (MB Docket No. 14-57). Your letter will be made part of the record of the proceeding.

The initial comment period closed on August 25, 2014, and we received approximately 75,000 filings, including the comments of the CETF. Please be assured that the Commission will conduct an open and transparent process. We will carefully review the data and information submitted by CETF and also take into consideration the issues and concerns presented by other stakeholders.

I appreciate hearing your views.

Sincerely,
