Operator Service Providers

TARIFF TRANSMITTAL PUBLIC REFERENCE LOG INFORMATIONAL TARIFFS

This is an unofficial list of tariff transmittals (and related information) received by the OPA-ROD, Tariff Public Reference Room and is available for inspection and copying along with the transmittals in the Public Reference Room (Room 250). This list is prepared for staff use and release for the convenience of the public. The Commission does not guarantee the completeness of accuracy of this list. Any questions should be referred to the Public Reference Room at (202) 418-1933.

NOTES:

Advises the Commission that it does not have, nor has it ever had, LIDB per query charge as suggested by inclusion of Nevada Bell in Appendix B to the MO&O, No. 93-193 and 94-65, FCC 97-139, released 4/17/97. Nevada Bell purchases LIDB service from Pacific Bell. Therefore, Nevada Bell has no requirement to file revised TRP information in connection with this MO&O.
