Amendment

Astrolink International, LLC has filed an amendment to its application for modification of its Ka-band satellite system (see File No. SAT-MOD-19971222-00220). In its modification application, Astrolink requested authority to perform TT&C operations in extended C-band frequencies. This amendment changes the specific frequencies. In addition, Astrolink seeks a limited waiver of the extended C-band freeze to permit the licensing of a single earth station to perform the TT&C functions in the requested extended C-band frequencies.
