ERRATUM

Released: April 10, 2002

1. This Erratum corrects certain text in the Memorandum Opinion and Order, FCC 02-113, released April 10, 2002 in this proceeding.

2. The last sentence of paragraph 2 of the document is modified to read as follows: “The applicants have demonstrated that ownership of any two of these stations would comply with our rules, and NBC requests a twelve-month period of time to come into compliance with the multiple ownership rules which will permit it time to divest one of the Telemundo stations.”

3. Paragraph 12 of the document is modified to read as follows: “The Hispanic Groups are also concerned that, if NBC follows through on its promise to operate KNBC-TV and KVEA independently from KWHY-TV, that this will result in the Hispanic employees of KWHY-TV being ‘deprived of an opportunity to interact with and influence the programmers’ at the other stations.”

4. The first sentence of paragraph 43 is modified to read as follows: “NBC also pledges to operate KNBC-TV and KVEA independently from the third station – KWHY-TV, during the period of common ownership.”

5. The second sentence of paragraph 44 is modified to read as follows: “As the Hispanic Groups note, NBC claims that the extended period of temporary relief will enhance the possibility that KWHY-TV is sold to a qualified buyer who will ‘appreciate and foster the unique characteristics of the divested station.’”

6. The last sentence of paragraph 45 is modified to read as follows: “Finally, NBC maintains that a forced sale of one of the Telemundo stations could result in an artificially depressed sales price and would have a disruptive effect on programming to the community.”

7. The last sentence of paragraph 47 is modified to read as follows: “These are: (1) the limited adverse impact of a temporary waiver on diversity and competition in the Los Angeles market; and (2) NBC’s pledge to continue operating KWHY-TV independently during the period of common ownership.”
8. The first sentence of paragraph 50 is modified to read as follows: “Finally, NBC pledges to operate KWHY-TV separately during the period of temporary common ownership.”
