AGREEMENT

This AGREEMENT is made this 26th day of January 1999, by and between: VOICESTREAM WIRELESS CORPORATION ("VOICESTREAM WIRELESS") AND VOICESTREAM WIRELESS HOLDING CORPORATION ("VOICESTREAM HOLDINGS") (VOICESTREAM WIRELESS AND VOICESTREAM HOLDINGS ARE COLLECTIVELY REFERRED TO AS "VOICESTREAM"), AND THE U.S. DEPARTMENT OF JUSTICE ("DOJ"), and THE FEDERAL BUREAU OF INVESTIGATION ("FBI") (COLLECTIVELY WITH ALL OTHER PARTIES HERETO, "THE PARTIES").

RECITALS

WHEREAS, the U.S. telecommunications system is essential to U.S. national security, law enforcement, and public safety;

WHEREAS, the U.S. Government considers it critical to maintain the viability, integrity, and security of that system (see e.g., Presidential Decision Directive 63 on Critical Infrastructure Protection);

WHEREAS, protection of Classified, Controlled Unclassified, and Sensitive Information is critical to U.S. national security;

WHEREAS, VoiceStream operates a major wireless Domestic Telecommunications network under licenses granted to it and its subsidiaries by the Federal Communications Commission ("FCC");

VoiceStream has also filed with the FCC, or is about to file, applications that would result in the transfer of numerous licenses held by Aerial Communications Corporation ("Aerial") and its subsidiaries to VoiceStream Holdings. VoiceStream also has sought authority in its application to allow the existing permissible 49.9% level of indirect foreign ownership in VoiceStream Wireless to apply to VoiceStream Holdings and its operating subsidiaries that it will acquire as a result of the mergers;

WHEREAS, VoiceStream’s application in Docket DA 99-1634 requires approval from the FCC, and such approval may be made subject to conditions relating to national security, law enforcement, and public safety;

WHEREAS, on October 5, 1999, the FBI and the DOJ filed a petition with the FCC to defer
consideration of the Omnipoint license applications, pending agreement between VoiceStream and the DOJ and the FBI to resolve national security, law enforcement and public safety concerns of the DOJ and the FBI;

WHEREAS, by Executive Order 12661, the President, pursuant to Section 721 of the Defense Production Act, as amended, authorized the Committee on Foreign Investment in the United States ("CFIUS") to review, for national security purposes, foreign acquisitions of U.S. companies; and

WHEREAS, VoiceStream has met with the FBI and the DOJ to discuss their concerns. In these meetings, VoiceStream has represented that (a) no single foreign entity shall have, as a result of the mergers, more than a 40% interest in VoiceStream, (b) no foreign individual or entity has or shall have, as a result of the mergers, effective or de facto Control of VoiceStream, (c) it will not provide, direct, control, supervise or manage Domestic Telecommunications through facilities located outside the United States, (d) it has no present plans, and is aware of no present plans of any other entity, as a result of which a foreign individual or entity would gain an ownership interest in VoiceStream that exceeds 40%, (e) it has no present plans, and is aware of no present plans of any other entity, as a result of which a foreign individual or entity would gain effective or de facto Control of VoiceStream, and (f) it has no present plans, and is aware of no present plans of any other entity, as a result of which it will provide, direct, control, supervise or manage Domestic Telecommunications through facilities located outside the United States.

NOW THEREFORE, the Parties are entering into this Agreement to address national security, law enforcement and public safety concerns.

ARTICLE I: INFORMATION STORAGE AND ACCESS

1.1 VoiceStream shall comply with all applicable FCC rules and regulations governing access to and storage of Customer Proprietary Network Information ("CPNI"), as defined in 47 U.S.C. § 222(f)(1).

1.2 VoiceStream shall insure that at all times its network is configured such that VoiceStream will be capable of complying in an effective, efficient, and unimpeded fashion, with Lawful U.S. Process, and that VoiceStream's officials in the United States will have unconstrained authority to comply, in an effective, efficient, and unimpeded fashion, with Lawful U.S. Process.

1.3 VoiceStream shall make available in the United States:

(i) any Domestic Telecommunications (including any other type of wire, voice or electronic communication not covered by the definitions of Wire Communication or Electronic Communication) if VoiceStream stores such communication for any reason;
(ii) any Wire Communications or Electronic Communications (including any other type of wire, voice or electronic communication not covered by the definitions of Wire Communication or Electronic Communication) received by, intended to be received by, or stored in the account of a VoiceStream U.S. customer or subscriber, if VoiceStream stores such communication for any reason;

(iii) any Transactional Data relating to Domestic Telecommunications, if VoiceStream stores such data for any reason;

(iv) any Subscriber Information concerning VoiceStream’s U.S. customers and subscribers if VoiceStream stores such information for any reason; and

1.4 VoiceStream shall store for at least two years all billing records of VoiceStream U.S. customers and subscribers and shall make such records available in the United States.

1.5 VoiceStream shall store in the United States any information relating to a VoiceStream U.S. customer or subscriber, or relating to any communication of such customer or subscriber, or any information relating to Domestic Telecommunications, in each case to the extent VoiceStream has access thereto and when the U.S. Government has requested such storage pursuant to 18 U.S.C. § 2703(f).

1.6 VoiceStream shall store the data and communications described in paragraphs 1.2 through 1.4 in a manner not subject to mandatory destruction under any foreign laws, if VoiceStream stores such data and communications for any reason.

ARTICLE II: SECURITY

2.1 VoiceStream shall maintain within the United States its security office.

2.2 VoiceStream shall take all reasonable measures to prevent the use of or access to VoiceStream’s equipment or facilities, including monitoring points associated with Sensitive Network Positions, to conduct Electronic Surveillance in violation of any U.S. federal, state, or local laws or the terms of this Agreement. These measures shall take the form of detailed technical, organizational, personnel-related policies and written procedures, and necessary implementation plans.

2.3 VoiceStream shall not provide access to Domestic Telecommunications, Call Associated Data, Transactional Data, or U.S. Subscriber Information stored in the United States to any person if the purpose of such access is to respond to the legal process or the request of a foreign government or a component or subdivision thereof without the express
written consent of the DOJ or the authorization of a court of competent jurisdiction in the United States. Any requests or submission of legal process described in this paragraph shall be reported to the DOJ as soon as possible and in no event later than five business days after such request.

2.4 VoiceStream shall not, directly or indirectly, disclose or permit disclosure of, or provide access to, Classified or Sensitive Information, Subscriber Information, Transactional Data, or Call Associated Data, or a copy of any Wire Communication or Electronic Communication intercepted by a U.S. federal, state or local government agent to any foreign government or a component or subdivision thereof without the express written consent of the DOJ or the authorization of a court of competent jurisdiction in the United States. Any requests or any legal process submitted by a foreign government or a component or subdivision thereof to VoiceStream for the communications, data or information identified in this paragraph that is maintained by VoiceStream shall be referred to the DOJ as soon as possible and in no event later than five business days after such request unless the disclosure of the request or legal process would be in violation of an order of a court of competent jurisdiction within the United States.

2.5 At least every 3 months, VoiceStream shall notify DOJ in writing of legal process or requests by foreign non-governmental entities for access to or disclosure of Domestic Telecommunications unless the disclosure of the legal process or requests would be in violation of an order of a court of competent jurisdiction within the United States.

2.6 Within sixty (60) days after the Effective Date, VoiceStream shall designate points of contact within the United States with the authority and responsibility for accepting and overseeing the carrying out of Lawful U.S. Process. The points of contact shall be available 24 hours per day, 7 days per week and shall be responsible for accepting service and maintaining the security of Classified Information and any Lawful U.S. Process for electronic surveillance in accordance with the requirements of U.S. law. VoiceStream shall immediately notify in writing the DOJ and the FBI of any change in such designation or contact information. The points of contact shall be U.S. citizens who are eligible for appropriate U.S. security clearances. VoiceStream shall comply with any U.S. government request that a background check and/or security clearance process be completed for a designated point of contact.

2.7 VoiceStream shall protect the confidentiality and security of all Lawful U.S. Process served upon it and the confidentiality and security of Classified Information and Sensitive Information in accordance with U.S. Federal and state law or regulation.

2.8 VoiceStream shall:

(i) take appropriate measures to prevent unauthorized access to data or facilities that might contain Classified Information or Sensitive Information;
(ii) assign U.S. citizens, who meet high standards of trustworthiness for maintaining the confidentiality of Sensitive Information, to positions that handle or that regularly deal with information identifiable to such person as Sensitive Information;

(iii) require that personnel handling Classified Information shall be eligible for and shall have been granted appropriate security clearances;

(iv) provide that the points of contact described in Section 2.6 shall have sufficient authority over any of its employees who may handle Classified Information or Sensitive Information to maintain the confidentiality and security of such information; and

(v) maintain appropriately secure facilities (e.g., offices) for the handling and storage of any Classified Information and Sensitive Information.

2.9 VoiceStream shall instruct appropriate officials, employees, contractors and agent as to their obligations under this Agreement and issue periodic reminders to them of such obligations.

ARTICLE III: DISPUTES AND NON-IMPACT ON OTHER GOVERNMENT ACTIONS

3.1 Nothing contained in this Agreement shall limit or affect the authority of a United States Government agency to deny, limit or revoke VoiceStream’s access to Classified, Controlled Unclassified, and Sensitive Information under its jurisdiction.

3.2 The Parties shall use their best efforts to resolve any disagreements that may arise under this Agreement. Disagreements shall be addressed, in the first instance, at the staff level by the Parties' designated representatives. Any disagreement that has not been resolved at that level shall be submitted promptly to higher authorized officials, unless the DOJ or the FBI believes that important national interests can be protected, or VoiceStream believes that paramount commercial interests can be resolved, only by resorting to the measures set forth in Section 3.3 below. If, after meeting with higher authorized officials, either party determines that further negotiation would be fruitless, then either party may resort to the remedies set forth in Section 3.3 below. If resolution of a disagreement requires access to Classified Information, the Parties shall designate a person possessing the appropriate security clearances.

3.3 Subject to section 3.2 of this Agreement, if any Party believes that any other Party has breached or is about to breach this Agreement, that Party may bring an action against the other Party for appropriate judicial relief. Nothing in this Agreement shall limit or affect the right of a U.S. Government agency to seek revocation by the FCC of any license, permit, or other authorization granted or given by the FCC to VoiceStream, or any other
sanction by the FCC against VoiceStream, or the right to seek civil sanctions for any violation by VoiceStream of any U.S. law or regulation or term of this Agreement.

3.4 The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of the DOJ or the FBI to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver, rather, the provision or right shall continue in full force. No waiver by the DOJ or the FBI of any provision or right shall be valid unless it is in writing and signed by the DOJ or the FBI.

3.5 It is agreed by and between the Parties that a civil action for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

3.6 Nothing in this Agreement limits the right of the United States Government to pursue criminal sanctions against VoiceStream, or any director, officer, employee, representative, or agent of VoiceStream, for violations of the criminal laws of the United States.

ARTICLE IV: OTHER REPRESENTATIONS AND OBLIGATIONS OF THE PARTIES

4.1 VoiceStream represents that, to the best of its knowledge, it has and shall continue to have throughout the term of this Agreement the full right to enter into this Agreement and perform its obligations hereunder and that this Agreement is a legal, valid, and binding obligation of VoiceStream enforceable in accordance with its terms.

4.2 VoiceStream shall provide to the DOJ and FBI written notice and copies of any applications or petitions relating to the Control of VoiceStream filed with the FCC or any other governmental agency concurrently with such filing.

4.3 VoiceStream shall provide to the DOJ and FBI written notice within 14 days of learning that any single foreign entity has or will likely increase its ownership interest in VoiceStream above 40%. Such notice shall, at a minimum, (a) identify the entity (specifying the name, addresses and telephone numbers of the entity), (b) identify the beneficial owners of the increased or prospective increased interest in VoiceStream by the entity (specifying the name, addresses and telephone numbers of each beneficial owner), (c) quantify the amount of ownership interest in VoiceStream that the entity holds or will likely hold, and (d) include a description of the transaction that has resulted in or will likely result in the entity increasing its ownership interest in VoiceStream above 40%. 

- 6 -
4.4 VoiceStream shall provide to the DOJ and FBI 30 days advance written notice if VoiceStream plans to provide, direct, control, supervise or manage Domestic Telecommunications through any facilities located outside the United States. Such notice shall, at a minimum, (a) include a description of the facilities to be located outside the United States, and a description of the functions of the facilities and (b) identify the location where the facilities are to be located.

4.5 VoiceStream shall provide to the DOJ and FBI 30 days advance notice if VoiceStream plans to store any Domestic Telecommunications, Call Associated Data, Transactional Data or Subscriber Information outside the United States. Such notice shall, at a minimum, (a) include a description of the type of information to be stored outside the United States, (b) identify the custodian of the information if other than VoiceStream, and (c) identify the location where the information is to be located.

4.6 Upon the execution of this Agreement, the DOJ and the FBI shall promptly notify the FCC that, provided the FCC approves this Agreement and adopts the Condition to FCC Licenses attached hereto as Exhibit A, the DOJ and the FBI have no objection to the grant of the proposed transfers of Control and related assignments of VoiceStream Wireless’ and Omnipoint’s licenses that are the subject of the application filed with the FCC in Docket DA 99-1634.

4.7 Provided that (a) the FCC approves this Agreement and adopts the Condition to FCC Licenses, and (b) VoiceStream complies with the terms of this Agreement, the Attorney General shall not make any objection concerning the current foreign investment in VoiceStream or VoiceStream Holdings’ acquisition of Control of VoiceStream, Omnipoint or Aerial to the CFIUS or the President. This commitment, however, does not extend to any objection the Attorney General may wish to raise with the CFIUS or the President in the event (a) that the Attorney General learns that the representations of VoiceStream recited above are untrue or incomplete, (b) of any change in the level of foreign investment in VoiceStream, (c) of any change in the level of foreign Control of VoiceStream or (d) any material change in the circumstances associated with the transactions at issue.

4.8 VoiceStream has entered into or may enter into joint ventures or other arrangements under which a joint venture or another entity may provide Domestic Telecommunications Services. If VoiceStream Controls such entity, then that entity shall fully comply with the terms of this Agreement. To the extent VoiceStream does not Control such an entity, VoiceStream shall in good faith endeavor to have such entity comply with this Agreement and shall consult with the DOJ or the FBI about the activities of such entity.

4.9 VoiceStream shall report promptly to the DOJ and FBI any information VoiceStream acquires regarding: (i) a breach of this Agreement; (ii) Electronic Surveillance conducted in violation of federal, state or local law or regulation; (iii) access to or disclosure of
CPNI or Subscriber Information in violation of federal, state or local law or regulation (except for violations of FCC regulations relating to improper use of CPNI); or (iv) improper access to or disclosure of Classified Information or Sensitive Information. VoiceStream need not report information where disclosure of such information would be in violation of an order of a court of competent jurisdiction.

4.10 Unless otherwise specified in this Agreement, the provisions of this Agreement shall take effect immediately upon the execution of this Agreement, except that the provisions in Articles I and II shall take effect on the Effective Date.
