CORRECTION TO PUBLIC NOTICE

VoiceStream Wireless Corporation, Omnipoint Corporation and Cook Inlet/VS GSM II PCS, LLC, and Cook Inlet/VS GSM III PCS, LLC Seek FCC Consent for Transfer of Control and Assignment of Licenses and Authorizations

This Public Notice corrects certain minor errors in Public Notice, DA 99-1634, released August 16, 1999, listing the above-captioned applications for consent to Transfers of Control and Assignments of Licenses and Authorizations. The corrections listed below are minor in nature and will not extend the petition to deny/comment period. **The deadline for submission of comment or petitions to deny remains Thursday, September 16, 1999.** The Public Notice is corrected as follows:

1. Under the first category of proposed consents, certain applications were listed as requesting consent to transfer control from Omnipoint Corporation (“Omnipoint”) to VoiceStream Wireless Holding Corporation (“VWHC”). These applications should have been listed as transfers from VoiceStream Wireless Corporation (“VoiceStream”) to VWHC. The Public Notice is corrected to indicate that the VoiceStream applications listed thereunder with the following sub-headings involve a transfer of control from VoiceStream to VWHC and not from Omnipoint.
 - Part 24 - Personal Communications Service (non-Designated Entity): transfers of control of listed VoiceStream licensees.
 - Part 90 - Specialized Mobile Radio Service (SMR): transfers of control of listed VoiceStream licenses.
 - Part 90 - Business Radio Service: transfers of control of listed VoiceStream licensee.
2. The file numbers listed under Part 5 Experimental Licenses are corrected by deleting file numbers 9-EX-TC-1999 and 10-EX-TC-1999, and substituting 15-EX-TU-1999 and 16-EX-TU-1999, respectively.
3. The file number for the Section 214 Application of Omnipoint Communications C Operations, LLC is corrected by deleting file number ITC-214-9970804-0463, and substituting file number ITC-214-19970804-00463.
