**FORFEITURE ORDER**

**Adopted:** June 15, 2012

**Released:** June 15, 2012

By the Regional Director, South Central Region, Enforcement Bureau:

**I. INTRODUCTION**

1. In this Forfeiture Order (Order), we issue a monetary forfeiture in the amount of twenty-five thousand dollars (\$25,000) to A Radio Company, Inc. (A Radio) for willful and repeated violation of an Enforcement Bureau (Bureau) order. The noted violations involved A Radio's failure to comply with the terms of the *Order and Consent Decree* entered into between the Bureau and A Radio.<sup>1</sup>

**II. BACKGROUND**

2. On May 11, 2011, the Bureau's San Juan Office (San Juan Office) issued a Notice of Apparent Liability for Forfeiture<sup>2</sup> in the amount of \$25,000 to A Radio for its failure to comply with the terms of the *Order and Consent Decree*. As discussed in detail in the *NAL*, A Radio failed to submit an \$8,000 voluntary contribution and Compliance Report required by the *Order and Consent Decree*. A Radio submitted a response to the *NAL* acknowledging the violations, but requesting cancellation or reduction of the forfeiture due to inability to pay.<sup>3</sup> A Radio states that its sole owner's "businesses were closed and [that] [he] was left owing \$70 million."<sup>4</sup> A Radio further states that "bankruptcies were filed for most of [its owner's] corporations, with the exception of A Radio[;] . . . [and that] [t]here is only one corporation operating, other than A Radio."<sup>5</sup> Accordingly, due to what it asserts is "overwhelming debt and almost nonexistent cash," A Radio contends that it is unable to pay the forfeiture.<sup>6</sup>

### III. DISCUSSION

3. As A Radio does not deny any of the facts set forth in the *NAL*, we find that A Radio willfully and repeatedly violated a Bureau order by failing to comply with the terms of the *Order and Consent Decree* entered into between the Bureau and A Radio and issued pursuant to Sections 4(i) and 503(b) of the Communications Act of 1934, as amended (Act).<sup>7</sup>

4. A Radio claims that it lacks the ability to pay the proposed \$25,000 forfeiture, and submits financial documentation to support its claim. Section 503(b)(2)(E) of the Act states that, in determining the amount of a forfeiture penalty, the Commission shall take into account the nature, circumstances, extent, and gravity of the violation and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other such matters as justice may require.<sup>8</sup> We have reviewed A Radio's financial documents, which, standing alone, may arguably support its asserted inability to pay argument. The ability to pay a forfeiture, however, is just one of the criteria we must consider when determining the appropriate forfeiture penalty for violations of Bureau and Commission orders. As required by the statute itself, we also must consider the nature, circumstances, extent, and gravity of the violation.<sup>9</sup> Here, A Radio failed to comply with the terms of a negotiated consent decree. The Commission has stated that "a consent decree violation, like misrepresentation, is particularly serious."<sup>10</sup> A Radio's failure to submit the agreed upon voluntary contribution and compliance report, pursuant to the terms of the *Order and Consent Decree*, demonstrates bad faith and a complete disregard for Commission and Bureau authority. The Commission expects parties to honor agreements made in consent decrees, and A Radio's failure to do so undermines the value of consent decrees as an efficient means to resolve investigations without further expenditure of public resources. Nothing on the record in this case, including A Radio's ability to pay claim, warrants any leniency or mitigation of the proposed forfeiture amount.<sup>11</sup>

5. We have examined the *NAL Response* pursuant to the statutory factors set forth in Section 503(b) of the Act,<sup>12</sup> and in conjunction with the *Forfeiture Policy Statement*<sup>13</sup> and Section 1.80 of the Rules.<sup>14</sup> Considering the entire record and the statutory factors listed above, we find that A Radio is liable for a forfeiture in the amount of \$25,000.
