PETITION FOR RECONSIDERATION OF ACTION IN RULEMAKING PROCEEDING

A Petition for Reconsideration has been filed in the Commission's Rulemaking proceeding listed in this Public Notice and published pursuant to 47 CFR Section 1.429(e). While the petition is styled a petition for clarification, at least one of the forms of relief it seeks may require a modification to the Commission's rules. As a result, the Wireline Competition Bureau has determined that the petition is more properly treated as a petition for reconsideration, for the purpose of seeking public input.

The full text of the petition is available for viewing and copying in Reference and Information Center, Room CY-A257, 445 12th SW, Washington, DC. Oppositions to this petition must be filed within 15 days of the date of public notice of the petition in the Federal Register. See Section 1.4(b) (1) of the Commission's rules (47 CFR 1.4(b) (1)). Replies to an opposition must be filed within 10 days after the time for filing oppositions has expired.
