11. The Bureau will grant the pending June Assignment Applications for the Stations (File Nos. BALH-20160624ABP, BALFT-20160624ABW, BALH-20160624ABO, and BALH-20160624ABS) after the Effective Date, provided that the following conditions have been met: 1) FoxFur has fully and timely satisfied its obligation to make the payment referenced in Paragraph 10 of this Decree; and 2) there are no issues other than the Violation that would preclude the grant of the June Assignment Applications.

12. FoxFur represents that, as of the date of its execution of this Consent Decree, it fully complies with the Multiple Ownership Rule.

13. FoxFur agrees that it is required to comply with each individual condition of this Consent Decree. Each specific condition is a separate condition of the Consent Decree as approved. To the extent FoxFur fails to satisfy any condition, in the absence of Commission alteration of the condition or Rule, it will be deemed noncompliant and may be subject to possible enforcement action, including, but not limited to, designation of the matter for hearing, letters of admonishment, or forfeitures.

14. The Consent Decree will be binding on FoxFur's successors-in-interest and assigns. FoxFur agrees that any future application to assign or transfer control of the Station will include a statement executed by an authorized representative of the proposed assignee or transferee consenting to assumption of the responsibilities and duties set forth in this Consent Decree with regard to the Station.

15. FoxFur waives any and all rights that it may have to seek administrative or judicial reconsideration, review, appeal or stay, or to otherwise challenge or contest the validity of this Consent Decree and the Order, provided that the Order adopts the Consent Decree without change, addition or modification.

16. FoxFur waives any claims that it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. § 504 and 47 CFR § 1.1501 et seq., relating to the matters discussed in this Consent Decree.

17. FoxFur and the Bureau agree that the effectiveness of this Consent Decree is expressly contingent upon issuance of the Order, provided that the Order adopts the Consent Decree without change, addition, or modification.

18. If any Party (or the United States on behalf of the FCC) brings a judicial action to enforce the terms of the Order, none of the Parties shall contest the continuing validity of the Consent Decree or the Order. FoxFur and the Bureau further agree that they will waive any statutory right to a trial *de novo* with respect to any matter upon which the Order is based (provided in each case that the Order is limited to adopting the Consent Decree without change, addition, or modification), and that they will consent to a judgment incorporating the terms of this Consent Decree.

19. In the event that this Consent Decree is rendered invalid by any court of competent jurisdiction, this Consent Decree shall become null and void and may not be used in any manner in any legal proceeding.

20. This Consent Decree may be signed in counterparts and/or by telecopy and, when so executed, the counterparts, taken together, will constitute a legally binding and enforceable instrument whether executed by telecopy or by original signatures.
