## **Federal Communications Commission Provides 24/7 Emergency Contact Information for Hurricane Harvey**

The Federal Communications Commission (FCC) will be available to address emergency communications needs twenty-four hours a day throughout the weekend, especially relating to the effects that Hurricane Harvey may have on the United States Gulf Coast.

The FCC reminds emergency communications providers, including broadcasters, cable service providers, wireless and wireline service providers, satellite service providers, emergency response managers and first responders, and others needing assistance to initiate, resume, or maintain communications operations during the weekend, to contact the FCC Operations Center for assistance at 202-418-1122 or by e-mail at [FCCOPCenter@fcc.gov](mailto:FCCOPCenter@fcc.gov).
