ADJOURNMENT

Henry Rivera

*At the conclusion of our meeting, a bus will take those interested to the US Capitol Visitors Center for a 12:30-2:30PM briefing at which this report will be presented. This report is a set of recommendations to increase broadband adoption for minorities and minority communities. Members of Congress and local elected officials will also attend the briefing, which is sponsored by the Joint Center for Political and Economic Studies' Media and Technology Institute in partnership with the National Conference of Black State Legislators, the National Conference of Black Mayors, National Black Caucus of Local Elected Officials, and National Association of Black County Officials. FCC Chairman Genachowski, FCC Commissioner Michael Copps and Henry Rivera will speak.
