Subject: FCC Seeks Updated Information and Comments on Review of HAC Rules

Comments Due: January 7, 2013

In December 2010, the FCC's Wireless Telecommunications Bureau (WTB) began a review of its hearing aid compatibility (HAC) rules for wireless handsets.

On November 1, 2012, WTB released a Public Notice seeking information and comments to update its review of HAC requirements for wireless handsets.

The NEW deadline for filing comments in this proceeding is **January 7, 2013**. (Note that this has been extended from the original deadline of December 26, 2012.)

For more information, please contact Jennifer Flynn at (202) 418-0612 or by e-mail to Jennifer.Flynn@fcc.gov.
