Subject: Chairman Wheeler To Award Innovators in Accessibility Technology

The FCC announced in a press release that Chairman Tom Wheeler has selected winners of the 2014 Chairman's Awards for Advancement in Accessibility (Chairman's AAA). He will honor them in an award ceremony at the M-Enabling conference on June 9, 2014, after which they will exhibit their winning entries.

More information is in the press release at <http://www.fcc.gov/document/chairman-wheeler-award-innovators-accessibility-technology>
