**SUBJECT: Amateur Radio license W4TYW; Case #EB-2007-290**

Dear Mr. Gillette:

Enclosed is a complaint received by the Commission concerning the operation of your Amateur station. The complaint alleges various rule violations on 3.843 MHz including broadcasting, music, failure to identify, deliberate interference and rebroadcast of police communications. The information contained in the complaint, if true, raises serious questions regarding your qualifications to retain an Amateur license.

Section 308(b) of the Communications Act of 1934, as amended, 47 U.S.C. § 308(b), gives the Commission the authority to obtain information from applicants and licensees about the operation of their station and their qualifications to remain a licensee. Accordingly, you are requested to respond to this office within 20 days of receipt fully addressing each element of the complaint.

**You are directed to support your response with a signed and dated affidavit or declaration under penalty of perjury, verifying the truth and accuracy of the information submitted in your response.**

To knowingly and willfully make any false statement or conceal any material fact in reply to this inquiry is punishable by fine or imprisonment. *See* 18 U.S.C. § 1001; *see also* 47 C.F.R. § 1.17 (copy enclosed). Failure to respond appropriately to this letter of inquiry may constitute a violation of the Communications Act and our rules.<sup>1</sup>

In an inquiry of this type we are required to notify you that under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), the Commission's staff will use all relevant information before it, including information that you disclose in your reply, to determine what, if any, enforcement action is warranted in this matter. Such action may include license revocation, suspension of your operator privileges, or
