

# **PART 2 – FCC ID INFORMATION AND GENERAL ADMINISTRATIVE INFORMATION**

**Bette Taube**  
**Information Technician**

**Federal Communications Commission  
Office of Engineering and Technology (OET)  
Laboratory Division  
Customer Service Branch**

## PART 2 – FCC ID INFORMATION

- What is an FCC ID?
- How is it used?
- How to make changes to ID information
- Marketing Identical Equipment
- Change in ID of Equipment

## 2.926 – FCC IDENTIFIER (ID)

### ● Grantee Code

- Three characters permanently assigned by FCC
- Applies to all equipment authorization submittals
- No numbers one or zero
- First character is alpha

### ● Equipment Product Code

- Assigned by applicant/grantee
- From one to 14 characters
- Arabic numerals; capital letters; dashes (-) or combination thereof

## 2.929 – GRANTEE CODE CHANGES

- Grant cannot be transferred to another party
- Second party may manufacture authorized device if FCC ID remains the same and applicant/grantee continues to be responsible party
- Written submission of Name / Address / Contact changes within 30 days after grantee starts using new name, etc.
- Written submission of transactions (transfer of control, mergers, etc.) within 60 days after consummation of transaction

## 2.925 – IDENTIFICATION OF EQUIPMENT

- Label shall contain
  - FCC ID
  - Required statements
  
- Composite device = single FCC ID
  - Same enclosures, different sub-units/boards
  - Two or more certification grants with different equipment classifications
  
- Related device = separate ID's
  - Different enclosures

# 2.924 – MARKETING IDENTICAL EQUIPMENT

- Additional grant not necessary if:
  - FCC ID remains the same as original grant
  - Equipment authorized must remain electronically the same (or any changes must fall within scope of Class I Permissive Change – 2.1043(b)(1))

## 2.933 – CHANGE IN IDENTIFICATION OF EQUIPMENT

- New application required for change in FCC ID
- No change in design, circuitry or construction requires statement containing
  - Original FCC ID
  - Date of original grant
  - Explanation of differences in equipment
  - Whether original test results still apply
  - Photos of exterior of equipment and new FCC ID label
- Change in design, circuitry or construction requires permissive change filing

# GENERAL ADMINISTRATIVE

- Grantee Code Payments
- Validate FCC ID's
- Request for Dismissal / Audit Mode Placement; Scope / Equipment Class – Rule Part Changes

# GRANTEE CODE PAYMENTS

- Online credit card payment
  - ONE TIME opportunity after code assignment
  - Unsuccessful? Choose other payment method
  - Pay ASAP
    - ❖ 30-day timeframe, INCLUDES three (3) Mellon Bank processing days
    - ❖ Code disappears (not replaceable)
  - Do not produce labels until verification of code payment

# VALIDATE FCC ID

- Verify accuracy of ID as often as possible
  - At time FCC ID is entered into Form 731
  - Compare ID in Form 731 to ID on label drawing
  - Check AGAIN prior to grant
- Made a mistake???
  - Contact [bette.taube@fcc.gov](mailto:bette.taube@fcc.gov) ASAP
  - If no grant is issued and no exhibits uploaded, submittal will be automatically removed from our DB – but send e-mail anyway

# REQUEST FOR DISMISSAL / AUDIT MODE PLACEMENT; SCOPE / EQUIPMENT CLASS- RULE PART CHANGES

- Send e-mail request to [Bette.Taube@fcc.gov](mailto:Bette.Taube@fcc.gov)
- Provide explanation for request
- Include FCC ID and related Confirmation Number (TC#)

# Questions and Answers

**Thanks!**
